Chili Supper to Benefit Carlson Community Garden 3/8

Thanks to an overwhelmingly positive response to the community garden plan shared at a January neighborhood input meeting, Irving Park Carlson Ministries is proceeding with plans to build an organic community vegetable garden at 4107 N. Pulaski Rd.

A Chili Supper to benefit the garden will be held Sunday, March 8th from 5:00 to 7:00 p.m. at the Irving Park Lutheran Church Gymnasium, 4057 N. Harding Ave. Local professional chef **Ed Gardner** and master gardener **Sarah Steedman** will be serving up vegetarian and beef chili, corn bread and salad. Beverages and delicious desserts will be available for an additional charge. Ticket prices are \$10 for adults; \$7 for seniors; \$5 for children ages 3-12; free for kids under 3.

Kids can enjoy free entertainment and a craft table, so bring the whole family!

All funds raised at the supper will be used to build and maintain the community garden, the goal of which is to supply the Irving Park Community Pantry with fresh fruits and vegetables. If you'd like to learn more about the project, or donate a drawing item or baked good to the supper, please contact Liz Mills at 773.398.6766 or lizmills@sbcglobal.net.

Free Classical Music Concert Sunday, February 22, 2009

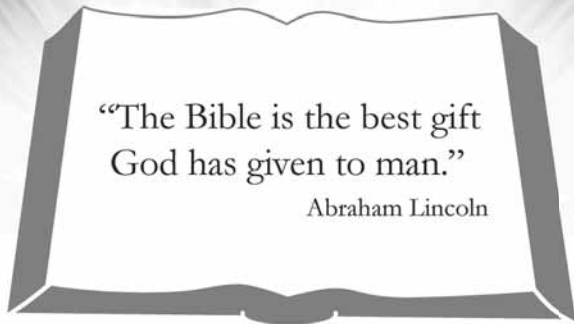

The Irving Park Fine Arts Committee is proud to announce the third concert of its 2008-2009 season. **Pianist Amy Briggs** and **violinist Andrew McCann** will perform on Sunday, February 22, 2009 at 2:00 p.m. at the Irving Park Lutheran Church, 4100 N. Harding. Admission to the concert is free of charge, though a free-will offering may be made to help defray expenses. An informal reception with the performers follows the concert.

The program will feature selections from the work of Olivier Messiaen, Arvo Pärt, György Kurtág and Johannes Brahms. Pianist Amy Briggs has established herself as a leading interpreter of the music of living composers, while also bringing a fresh perspective to music of the past. Violinist Andrew McCann performs regularly with the Grand Rapids Symphony and is a member of the New Millennium Orchestra of Chicago, and the Woodstock Mozart Festival Orchestra.

Planetary Consciousness – Save an Animal

This column may be slightly off-topic, but I have pets on my mind this month.

I know everyone is cutting back, due to the tough economy. Jobs are being lost, foreclosures are still on the rise, and we still have another 2 months of winter weather (when will it ever stop snowing?).

Animals really don't know that the economy is tough – there is still habitat being lost, trees cut down, climate changing, species on the move.

In our own back yard, state funding is drying up for many institutions – museums, zoos, aquaria, state parks, and, of course, animal shelters.

I was recently at a downtown shelter, and was saddened to see the number of animals given up due to foreclosure.

It is a tough commitment to ask someone to take in a homeless animal at a time like this, when care and supplies are getting ever-more expensive, but shelter animals are so happy to find loving households to take them in.

My dog and all my cats are shelter rescues, and I wouldn't trade a single minute of my time with them in terms of the love and companionship they return for the simple gift of food and shelter.

So, instead of visiting the next liquidation sale on your day off, consider taking the kids to the Aquarium or the Zoo, or contributing a small amount to one of the local shelters, adopt an animal from the World Wildlife Fund, or just put some food out for the birds.

Or, if you can find it in your heart and your budget to take in a cat or a dog, they would be so grateful.

Thanks all, Michelle Kaicener

CAPS Report

by Margaret McIntyre

The January CAPS meeting was very quiet. The Police felt the very low crime rates were based on the cold weather. Only one new concern was raised and it didn't occur in the West Walker neighborhood.

The February CAPS meeting will have a speaker on crime prevention. Officers did state the significance of citizens attending CAPS meetings. They felt there should be one person per block attending. It did not have to be the same person each month. Statistics have shown this reduces crime and increases neighborhood safety.

Update on old issues:

- At 4226 North Lawndale, neighbors reported suspicious behavior. Officers conducted a three-day surveillance. No observations were made. Police will continue to monitor and the case was given to the Active Gang Group.
- At the corner of Hamlin and Agatite, citizens have witnessed motorists running the stop signs. Officers will continue to monitor.

Statistics by type of crime in the West Walker neighborhood December 17, 2008 to January 20, 2009:

Non-criminal lost property.....	4	Retail Theft	2
Battery (simple)	3	Non-criminal missing person	2
Criminal Damage (to property)	3	Burglary (unlawful entry).....	2
Theft over \$300	3	Criminal Damage (to vehicle)	1
Theft under \$300	3	Theft (from building)	1
Burglary (forcible entry)	3	Robbery (strong armed)	1
Assault (aggravated)	2	Weapons violation	1
		Theft (financial ID theft over \$300)	1
		Deceptive practice (illegal use cash card).....	1
		Motor vehicle theft (automobile).....	1

CAPS (Chicago Alternative Policing Strategy) meetings for our beat are held at the 17th District in the Community Room, 4650 N. Pulaski. Meetings begin at 7:00 p.m. monthly on the 3rd Wednesday and typically last one hour. The next meeting is February 18. More information about CAPS is available at www.cityofchicago.org. Join the CAPS team of police officers, residents and City Departments working together for a safer Chicago.

39th Ward Report

Although it seems that this winter will never end, it's not too early to start thinking about spring and summer activities.

If you are considering having a **block party this summer**, please contact Rose in my 39th Ward Public Service office (773-736-5594) for an information packet. Included in the packet will be an application for the city's popular Jumping Jack program. The Jumping Jacks are assigned on a first-come, first serve basis. Demand always exceeds supply so if you want the Jumping Jack at your block party, I recommend sending the application back as soon as possible.

Hoping to get a **tree planted in your parkway** this year? Please submit your request to my office as soon as possible. Tree planting in the parkway is a free service offered by the City of Chicago, but it is only done in the Spring and the Fall. The earlier you get your request in, the better!

Blue recycling carts are finally starting to arrive in the 39th Ward and we expect that they will be delivered to the entire Ward in the next few months. In the meanwhile, don't forget to recycle materials at the blue recycling bin in the public parking lot of the **17th District Police Station, 4651 N. Pulaski**. Recyclables do not need to be bagged or separated. The drop-off center is open from dawn to dusk, 7 days a week. You can also recycle materials at the **Recycling Center at North Park Village, 5801 N. Pulaski, seven days a week, from 9 a.m. - 5 p.m.**

Just a reminder that the city Board of Elections will be conducting a **Special Primary Election on Tuesday, March 3**, to fill the vacancy in the 5th Congressional District. **Early voting** will take place in the 39th Ward at **North Park Village, February 16 - February 26, Monday - Saturday, 9 a.m. - 5 p.m.**

Please feel free to contact my 39th Ward Public Service office at 773-736-5594 or Ward39@cityofchicago.org with any questions or concerns.

Sincerely, Margaret Laurino Alderman, 39th Ward

St. Viator Elementary School recently was awarded 23 computers through a government program called Computers For Learning. These computers were a surplus of computers that the federal government places on a website. St. Viator registered and requested equipment for our school. The federal agencies then determine which schools will receive the equipment and St. Viator was fortunate enough to be a recipient.
