## Got Cabin Fever? Plan to Attend the West Walker Winter Social on March 5

by Mike Webber

IT'S THAT TIME OF YEAR. The Winter Social is back, and it's bigger, better, and for the first time, actually in West Walker. It's five on five, and we're not talking basketball or roller derby, but the Fifth Annual West Walker Winter Social on the fifth of March from 7 to 10 p.m. at the new Remix Cafe located at 4347 N. Harding Ave.

Tickets are \$12 for members and \$17 for non-members (sign up for membership that night and get the member price). Price includes an appetizer buffet and three hours of mingling with the neighbors. The cash bar allows you to drink as you please, and the close-to-home location lets you walk, because it does always snow. If you feel lucky, a cash raffle will let you test your luck. See the back cover of the *Wire* for more details.

Check out Remix Cafe at [www.remix-cafe.com](http://www.remix-cafe.com). It's owned by a local family and is an exciting new addition to our neighborhood. We hope to see everyone old and new at this popular annual event.

RSVP by March 1 to Cindi Webber at 773.539.8346 or [webber.cindi@gmail.com](mailto:webber.cindi@gmail.com). Space is limited, so RSVP today!

# Dear Neighbor,

FIRST, I WOULD LIKE TO REMIND everyone that after our winter break, the events schedule starts in earnest in March.

Second, on Saturday, March 5, our Fifth Annual Winter Social will take place at the neighborhood's newest restaurant, Remix Cafe. See page 1 and the back cover of the *Wire* for all the details and come out and join your neighbors at this popular event.

And third, our first general meeting of 2011 will take place on March 15 at 7 p.m. at the Latvian Center. This meeting will have a slightly different format. Rather than a formal presentation we will explore two areas that have been extensively covered recently in the *Wire*, the 4247 project proposal and the WWCA survey.

We will take time during the March meeting to present and discuss responses we have received on both these topics. As they both present an opportunity to discuss the future goals of the community and the West Walker Civic Association's role in envisioning and molding that future, I am sure it will be an informative and lively discussion. If you have an interest in providing input in planning the future of West Walker, don't miss this meeting.

Mike Webber  
President, WWCA

Bring snow pants and sleds for the kids for fun on a kiddie-sized sledding hill. ## Good Food, Great Prices on the Menu at Remix Cafe

By the Nugent and Webber Families

WE ARE THRILLED to have a full-scale lunch and dinner restaurant in our neighborhood, within walking distance for many! We enjoyed our first experience at Remix. It's roomy, bright, and will be a great alfresco location during the summer months.

The menu features a good selection of appetizers, soups, salads, paninis, wraps, savory crepes, and entrees. The dessert menu features a large selection of crepes. Prices are very reasonable and range from \$4.95 to \$7.95 for appetizers. Soups/salads range from \$3.50 to \$6.95. Sandwiches are \$6.50 to \$7.95. Crepes range from \$5.35 to \$7.75. Entrees are \$6.50 to \$14.95. Desserts are \$3 to \$4.95.

We had a simple dinner featuring their two signature dishes. The Remix Crepe of ham, chicken, cheese, lettuce, and sour cream sauce was a very generous size and had good flavor. We also had the cevapi, the Serbian version of sausage, served with grilled onions and cheese. An enormous amount of delicious sausage, we brought half home with good intentions of serving it with eggs for breakfast.

The staff is super friendly and committed to making your experience fun and delicious. Remix Cafe has a full bar and decent wines by the glass that are really affordable (most under \$5!). The mixed drinks were also very affordable.

The best recommendation is that it is a family owned restaurant, owned and operated by a neighbor.

Good food, great prices! A touch of class in our neighborhood that matches the "Vision Statement" of our future community. West Walker neighbors, please support this business!

Tired of graffiti? You can do something about it. Graffiti generally falls in two categories: tagging and gang-related signs and symbols. In order for the police to determine if graffiti is gang-related and a sign of things to come or related to a particular "tagger," they need a photo of the graffiti. Take a photo (camera phone photos acceptable, but do not use any zoom feature as that tends to be blurry) and send it with the address or location of the graffiti and the date and time photo was taken to: CAPS.017district@chicagopolice.org. If you have a smartphone, include the CAPS email address in your contacts and you'll be able to

make an immediate report. You can also drop off photos at the 17th District Police Station.

In order to have the graffiti removed, call 311 and be able to provide the following information: (1) address or location; (2) is graffiti on the front, side, or rear of building or on a garage; (3) is the graffiti on wood, brick, painted brick, or unknown; and (4) is the graffiti over 6 feet up? Ask for a tracking number. Because of budget cuts, it generally takes three to four days for graffiti to be removed, but if it hasn't been removed in a week, call 311 again and use the tracking number to obtain a status report. Remember, don't assume someone else has reported graffiti. Follow the steps above to make a report.

Parents: Often when a traumatic event involving a child occurs, parents have difficulty thinking clearly and are unable to quickly provide certain information about their child. Or the information may be scattered in different places. The CAPS office has child identification booklets to keep vital information about your child in a single place in the event tragedy strikes. The booklets are for parent use only; nothing is returned to the police or a government office. It compiles information such as contact information of close relatives and friends, fingerprints, hair sample, recent photograph, dental record, physical information such as height, weight, eye color, identifying marks, etc. Because of changes in physical characteristics while a child grows, certain information should be updated annually. If you are interested, stop by the CAPS Office at the 17th District Police Station to pick up child identification booklets.

As announced previously, the CAPS program is in the process of being revamped. At this time, Beat # 1723 will continue to have monthly meetings. Other beats may have bimonthly meetings with an opportunity to be heard at other beat meetings. We will monitor the changes to the CAPS Program and report the same. Please continue to attend meetings for Beat # 1723 as this may help retain our monthly meetings.

CAPS meetings for 2011 for our beat are currently held at the 17th District Police Station, 4650 N. Pulaski, in the Community Room. Meetings begin at 7 p.m. monthly on the third Wednesday of the month and typically last one hour. The next meeting is Wednesday, February 16.

As always, call 911 to report suspicious activity or individuals in your neighborhood and provide a detailed physical description of the individuals involved in any incident, including clothing, shoes, and vehicle descriptions.

## Building Resilience

by Michelle Kaicener  
greenwestwalker@gmail.com

IT CERTAINLY is turning out to be a wild month—momentous events in Egypt, local Chicago elections and ballot issues, and an enormous snowstorm on the way, as I write. By the time you read this, anything could be happening, and probably will be, somewhere in the world.

What can we do when things start to spin out of control? The only thing is to be resilient and have made some basic preparations.

I have no idea whether the snowstorm will knock out power, or keep me indoors for several days, or be unable to get my car out of the garage. But I always have a plan just in case—an indoor propane heater in case the power is out. A Coleman stove for cooking. A few extra groceries in the pantry, including pet food.

I am able to get to any of my jobs via public transit, so as long as the bus or the train are running, I can still work. We are fortunate to have a food market in walking distance. I am fortunate to know neighbors who can help out in an emergency.

Resilience is all about having backup systems. I think about what we would do if something happened to close the Suez Canal, and we find ourselves short of gasoline. We need to be resilient and have a plan “B.” We need to make sure we can live, work, and recreate in close proximity, and build close connections to our neighbors.

Sustainable Cities investigate the best ways to do this.

## News from the Irving Park Community Food Pantry

### Pantry's Client Total Stabilizes

The numbers have been tabulated for 2010 at the Irving Park Community Food Pantry, and there was good news and bad news. The total number of households rose slightly in 2010 (from 7,376 in 2009 to 7,502), but the total number of people served actually declined slightly (from 21,417 people to 20,828).

Those totals indicate that a larger number of smaller households and individuals needed our help in 2010. The lower number of individuals who received a three-day supply of food each month is encouraging, but it's daunting to remember that in 2007, just three years ago, the Pantry served 15,042 people, so we're up more than one-third in that time! In December, the Pantry served 780 households with 2,480 people.

**New Board Members:** We've added Gerry Sikora from the Irving Park United Methodist Church and Eleanor Kepp from the Irving Park Lutheran Church as board members.

**Food Drives:** The Pantry is thankful to the large number

of wonderful schools, organizations, and companies that conducted food and toy drives during December. Those efforts replenished our pantry and aided our special holiday distributions, which helped so many in our neighborhood enjoy a happier holiday season.

Thank you to: KidWatch Plus, Terraces of Irving Park, Chicago International Charter Schools, Community Savings Bank, Emergency 24, Mount Olive Lutheran Church, Scammon Elementary School, St. Andrew School, and Our Lady of Victory Elementary School.

We'd also like to thank all the kids from Park Ridge Presbyterian Church who helped with the Tuesday-night setups for our Thanksgiving and Christmas distributions.

Special thanks go to Tony Disalvio, pastoral associate at St. Viator Catholic Church. The church donated a large amount of food that had in turn been donated from Jewel-Osco. Tony delivered a carload of refrigerated and frozen food to us as we were making our regular weekly distribution, allowing us to quickly turn it around for those who urgently need it.

**Winter Coat Distribution:** Throughout the month of January, the Pantry distributed winter coats, hats, scarves, and gloves to many of our clients. Thanks to those within the community who hosted and supported the winter coat drives that made this possible. Special thanks to Carter Westminster Presbyterian Church, Disney Magnet II School PTA, Charity Piet Miska, and Jillian Flores for helping to coordinate.

**Augment Your Donation:** During March and April, monetary and food contributions to the Pantry are supplemented by the Feinstein Challenge, a \$1-million fund operated by Alan Shawn Feinstein to aid hunger organizations nationwide. The total we receive is based on the size of our donation, with food valued at \$1 per item/pound. It is not a strict matching fund, but it does provide extra funding and we appreciate your help in maximizing our contributions.

## Seanacháí Theatre Company Presents *That Was Then*

SEANACHAÍ THEATRE Company presents the Midwest premiere of *That Was Then* by Gerard Stembridge. The show runs from February 26 through April 3 in the Third Floor Theatre at the Irish American Heritage Center, 4626 N. Knox.

Ensemble member Carolyn Klein directs fellow members

Anne Sunseri and Sarah Wellington, with Ira Amyx, Molly Glynn, and Joseph Wycoff rounding out the cast. Ensemble member Erin Diener is stage manager.

Familiar tensions between the Irish and the Brits surface in Gerard Stembridge's dark comedy about Dubliners Noel and May who host a dinner party for an English couple in hope of securing a substantial loan. Five years

later, the invitation is reciprocated, but the tables have turned. Booze, football, and Jamie Oliver (a culinary celebrity famous for trying to revolutionize the unhealthy way we eat) make for a heady and explosive cocktail in this dual-time period piece.

Gerard Stembridge, born in Limerick in 1958, works as a writer and director in theatre, film, and television. He directed the world premiere of *That Was Then* at the Abbey Theatre in Dublin in 2002.

From February 26 through April 3, *That Was Then* will be performed every Thursday, Friday, and Saturday evening at 7:30 p.m., and on Sundays at 3 p.m. Tickets are \$22-26. Visit [www.seanachai.org](http://www.seanachai.org) or call 866.811.4111

For one night only—on Thursday, March 3—Seanacháí is offering a special dinner-theatre evening, which begins at 6 p.m. During dinner, an ensemble member will welcome you and share special information about *That Was Then*. After dinner, walk a few feet to the theatre and enjoy the play. Afterward, meet the cast members for an informal post-show chat.
