Dear Neighbor,

Just a reminder: There is no November general meeting. Watch your e-mail, the West Walker website and the Wire for information regarding a December meeting or event – we are still looking at options.

As discussed at the October general meeting, the WWCA will be providing information about forming block groups and providing more real time information about events by email and web postings in the future. In the meantime, Call 911 and keep your neighbors informed if you feel anything illegal or suspicious is happening in your area of the neighborhood.

In addition to 911, you can call your alderman at the numbers listed in the “Important Contacts” section of the October issue of the Wire. Another possible source of information can be found on everyblock.com. Just enter your address to see what is happening around you. CAPS at the 17th District can also be called at 312-742-4410 or emailed at CAPS.017District@chicagopolice.org

Please be courteous, aware and safe.

Mike Webber
President, WWCA

Our Thanks to Wire Carriers – Past and Present

After many years, Pat McKee and Derek Clark are handing their mailbags off to someone new to deliver the Wire. Many thanks to Pat and Derek for their contributions to the community.

Pat’s route has already been picked up, and we wish to thank Judy Cicero for volunteering to become a Wire carrier.

One more new carrier is needed to complete our carrier roster. If you enjoy a stroll around the neighborhood or just want to give back a little to the community, become a regular or back-up Wire carrier. If you are interested or need additional information, just call or e-mail any one of the West Walker officers or board members.

One Simple Safety Tip

by Lee Samsami Stein

Statistics say that houses with lights turned on are a lot less likely to be burglarized and cars are less likely to be broken in.

Consider motion lights, which illuminate anyone who approaches. Better yet, the easiest solution is to turn on the front porch light. The cost is minimal compared to the security it offers.

In “light” of the increase of crime incidents in and around the West Walker area, it’s in everyone’s best interest! So talk to your neighbors, and light up your whole street at night, for safety and peace of mind.

CAPS Report

Beat 1723, October 19th, 2011

by Jane Nagle, CAPS Coordinator

Given recent activity in and around West Walker, there was standing room only at the October CAPS meeting for Beat #1723. With approximately 65-70 citizens in attendance, Commander Staples stated it was the largest turnout at a beat meeting since she arrived in the 17th District. Specific West Walker Issues Discussed:

- The corner of Monticello and Belle Plaine and the immediate surrounding area continue to be an issue with respect to reported criminal activity. Since the prior CAPS Meeting, there have been 60 calls for service and 15 contact cards written but no arrests as of yet. Among other things, there were reports of multiple instances of shots fired, suspected drug dealing and gang activity. The police continue to monitor the situation.
- In the 3800 block of West Irving Park, there have been reports of drug and gang activity with 14 calls and 8 contact cards written since the prior CAPS meeting. Two officers have been specially assigned to this issue.
- From the period of September 23 to October 13, there were eleven armed robberies in the larger neighborhood with 2 occurring in West Walker. The incidents are believed to be related in that multiple offenders approach the victim on the street or in alleys and robbed them of wallets, money and cell phones at gun point. The incidents occurred from late afternoon to late evening into the early morning hours. The offenders are described as three black males between the ages of 20-35, 5'09"-6'02" and 180-200 lbs, often wearing jeans and dark hooded sweatshirts.
- A house on the 4100 block of Monticello was burglarized on October 20th. The police arrested two gang members in connection with the incident.
- No arrests have been made in the attempted armed robbery of the Snappy/Mobil on the corner of Irving Park and Pulaski. The Commander believes it was an isolated incident with the perpetrator living on the south side. Apparently, witnesses saw the offender's car enter the expressway and the MO fits other crimes on the south side.
- Garage break-ins are on the rise. Thieves are breaking into security doors and stealing bikes. Some bikes have had the wheel chained to the frame so the stolen bike was either placed in a vehicle, carried away or had the chain cut. A neighbor on Springfield reminds all residents to always use the deadbolt if you have one, not just the

handle lock. Most deadbolts sold now have a thick metal reinforcing plate that goes behind the cosmetic plate. The reinforcing plate has 3" screws that go through the door jamb and into the framing, and makes it a lot more difficult to force a door open. Because it takes a little more time, installers sometimes do not install the plates, and the cosmetic plate offers little or no resistance to a solid kick. Also, chaining or cabling items like bikes, ladders, snowblowers, power washers, etc. to a wall stud makes them much more secure. That way, whether a thief breaks in or the overhead door is accidentally left open (as can happen to the most careful of us), items in the garage are a lot harder to grab and get away with quickly.

- While not specifically occurring in West Walker, a number of other incidents have been occurring in the surrounding neighborhoods where many of us may pass through. Gang and drug activity were reported on the 4000 block of North Bernard and the 4100 block of North Drake. On the corner of Montrose and St. Louis, there are reports of a prostitute and a pimp practicing their craft and also buying booze for minors. The police have detailed information regarding this situation. In addition, groups of 50-100 people are gathering after school in yards around Roosevelt High School to watch fights.

The Commander stressed over and over that if you see suspicious activity or if something seems out of place, call 911 immediately so that police may respond to an incident in progress. If you wish, state that you want to remain anonymous when you begin speaking to the 911 operator. For incidents which are no longer in progress, remember that rather than calling 911, you may call 311 to have a police officer complete a report for incidents such as theft, criminal damage to property, lost property and other non-emergency situations. Even if a neighbor has already reported an incident or activity that affects a group of neighbors, other neighbors should make separate calls. The more calls received by police with respect to a particular situation, the more of a priority it becomes.

CAPS meetings for our beat are held monthly at the 17th District Police Station, 4650 N. Pulaski, in the Community Room. Meetings begin at 7 p.m. on the third Wednesday of the month and typically last one hour. The next meeting for Beat 1723 is Wednesday, November 16, 2011.

Have a CAPS issue? Call CAPS 17th District Phone at 312-742-4410 or email CAPS.017District@chicagopolice.org. You can also submit concerns to CAPS online at portal.chicagopolice.org/portal/page/portal/ClearPath. Then, on the left-hand side, click "Report a concern about an issue affecting your neighborhood."

39th Ward Report

Although we've had relatively mild fall weather, we know that winter weather is fast approaching. One of the surest signs of winter in Chicago is the return of the city's annual snow-related parking restrictions.

On Thursday, December 1, 2011, at 3:00 a.m., Chicago reactivates its Winter Overnight Parking restrictions for the most critical arterial streets. Signs for this seasonal restriction are permanently posted. Cars parked on critical arterial streets with a posted seasonal overnight restriction will be ticketed and towed between the hours of 3 a.m. and 7 a.m., whether or not there is snow on the ground. This restriction is in effect until April 1.

If you have a dog in the city, you must register your pet with the City Clerk's office. Fees for the license vary, with discounts available to residents 65 and older. You can register your dog online at <http://chicityclerk.com/licenses/dogs.html>, or in person at the City Clerk's office in either City Hall or at 5430 W. Gale Street. You may also call 312-744-DOGS to have an application mailed to you.

As always, please contact my office at 773-736-5594 or Ward39@cityofchicago.org with any concerns or questions. For more detailed information on these and other events, please sign up for my e-newsletter at www.AldermanLaurino.com

News from the Irving Park Community Food Pantry

by Craig Shutt

Food, Toys, Coats Needed for Pantry Holiday Distributions

The Irving Park Community Food Pantry is making a special appeal for holiday food and monetary contributions for our annual Thanksgiving distribution this month. The food is being distributed to clients during their regular weekly visits rather than creating a special distribution as has been done in the past. The change will reduce congestion and manpower needs at the Pantry while ensuring our clients enjoy a delicious and filling Thanksgiving dinner like the rest of us.

We especially need donations of juice, stuffing, cranberry sauce, canned yams and vegetables, instant potatoes, cake mixes and pumpkin-pie filling. Monetary donations will help supplement these donations and provide gift certificates so our largest families can buy a turkey to complete their meal.

We are looking for the same food contributions for our December distribution, along with our toy drive, which will take place on December 21st at our regular hours.

Please help us make the holiday season more joyful for many in our community who otherwise will not be able to enjoy the treats that we may take for granted.

Harvest Thanks: Thanks to everyone who helped to make our Harvest Benefit on October 15th such a success. Thanks especially to the folks at Irving Park Lutheran Church for their unflagging support and help in putting together this first-time event, especially Rev. Brooke Petersen, who coincidentally won a giant harvest cookie during the cake walk (honest!).

Thanks also to our sponsors: Mid-City Subaru (4330 W. Irving Park Rd.), Associates for General Dentistry (4958 W. Irving Park Rd.), Attorney Ami Oseid (3703 W. Irving Park Rd.), Cooney Funeral Home (3918 W. Irving Park Rd.), Portage Park Animal Hospital (5419 W. Irving Park Rd.) and River North Home Solutions (343 W Erie Street). Additional support was provided by Mariano's Fresh Market, Jewel Food Store (Six Corners) and Little Helpers (gift cards), Steve's Deli (cookies), Trader Joe's (bottled water), Chris Mandolini at Allstate (wine) and Bread & Wine (gift basket).

Special thanks as well to our volunteer committee (Janet Middleton, Mark Johnston, Rich Bradley, Eleanor Kepp, Joe Quartana, Kate Roche, Sandra Schwarzbeck and Lee Stein) and to all the volunteers who helped during the event!

(Clockwise from top) Supporters of the Irving Park Community Food Pantry gathered on October 15th for the group's first-annual Harvest Benefit at Irving Park Lutheran Church. Patrons line up for a harvest dinner provided by La Villa Restaurant. Rev. Brooke Petersen of Irving Park Lutheran Church shows off her prize from winning one of the cake walks during the benefit.

Mount Olive Canvas: Don't forget that the food drive sponsored by Mount Olive Church (3850 N. Tripp Ave.) will take place on November 20th. Fliers will be distributed on November 13th, including a Pantry donation envelope for the first time. Please watch for the flier and donate whatever you can. If you can volunteer to help out either day, please contact Mount Olive at 773/545-3234

Coat Collection: The Pantry is still collecting children's and adults' coats that are gently used (not heavily worn, please) for distribution to our clients later this month. We also are accepting gently used hats, scarves and gloves of all shapes and size.

The distribution has begun and will continue until we run out. Please bring donations to the Pantry at the Irving Park United Methodist Church at 3801 N. Keeler Ave. on Wednesday mornings during Pantry hours. They also can be left any day during church business hours at the Pantry's donation site inside the Grace Street entrance at the bottom of the stairs. For more information, contact Pat at repe1931@sbcglobal.net.

Toy Drive: As you begin your holiday shopping, please remember the children in the neighborhood who don't have some of the things that many of us take for granted. Each year, the Pantry gives parents of about 350 children (ages infant-12 years) the opportunity to "shop" in its "Holiday Gift Room" during the special Holiday distribution to select a toy or game to help make the holidays special.

Collection boxes for unwrapped new toys are located at churches sponsoring the Pantry and other business locations or can be brought to pantry. Cash donations help purchase additional gifts so no age group is underrepresented. Volunteers are needed to help collect toys, organize the toy room, and help with the distribution on December 21st, including translators. For information or to volunteer, contact Vicci Rodgers at viccirodgers@gmail.com or 773-316-9754.

During September, the Pantry served 1,792 people in 669 households. That included 71 new households with 204 people. We appreciate all your help in ensuring that we have never had to turn away one of our neighbors because we ran out of supplies!

Chicago Public Libraries Need Your Voice!

by Roberta Bole, President Friends of Independence Library

Recently, the city budget called for layoffs of 284 library staff members and cuts of 8 library hours (Monday & Friday mornings). How will your library services be affected by these cuts?

Children's programs, preschool story times, youth book clubs, school class visits to the library, summer reading program, outreach to schools, daycares, and parks will be eliminated! Delays in receiving ordered books, in reference assistance, and inadequate patron service. The skeleton staff will barely be able to check out materials, shelve returned materials, and add new ones as they arrive!

What can you do? **Call** your alderman and voice how important the library is to you, your family, and your neighborhood. Urge him/her to vote to restore full funding to the library in the budget amendment. **Sign** the online petition at savechicagolibraries.com. **Spread the Word** to your relatives, friends and neighbors, tell them to call their alderman and sign the petition.

Parents seeking preschool and elementary school options took advantage of the St. Viator Parent Panel

last month. They learned that most of the teachers at St. Viator have Masters Degrees and that St. Viator graduates go on to attend some of the best private and public high schools in the city. Additionally, attendees learned that while St. Viator is a Catholic school, many families of various faiths attend our school.

Primary Gym

Primary Gym is a program held twice a month from November through April for children (pre-K to 3rd grade) and their families who attend St. Viator or live in the surrounding community. On Saturday mornings, converge on the gym for some play time, sports, games and more! To join, please contact Brian Downes at bdownes@sbcglobal.net.

Do you love Christmas cookies but don't have time to make 15 different kinds? If so, then come to the annual Cookie Walk and Breakfast with Santa on Sunday, December 11, with several seating times available to purchase. Call call 773-736-9133 for information on how to purchase breakfast seating time. Held in Buckley Hall, this event sells out annually! Have breakfast with Santa, and purchase cookies by the pound, homemade by St. Ed's parent bakers.

Disney II School

Disney II PTA awarded one need-based scholarship of \$75 for a student's after school program of choice, which is part of PTA's mission to increase opportunities for all children. This was awarded anonymously. PTA will award three more scholarships for after school programs in the winter or spring sessions.

On October 24th, renowned Chicago chefs from the Chicago Pilot Light Chefs Program visited and demonstrated how to prepare healthy and delicious meals. This event has always been exciting and entertaining for the students, and marked the Pilot Light's 4th visit to Disney II. Special thanks to all of the chefs for participating in this program! Please visit pilotlightchefs.org to learn more.

Special thanks to the parishioners and staff of the United Methodist Church, who provided backpacks with school supplies to students in need, as well as housing two Brownie Troops comprised of girls from Disney II. Disney II sincerely values this community relationship. As the holiday season approaches, the Disney II community will generously donate time and useful items (i.e. coats, cold weather gear) to those in need. Look for the smiling faces of Disney II children as they assist and organize clothing drives and other volunteer initiatives.

Visit disneyiimagnet.org for future events, many of which community members are welcome and invited to attend.

Look What's Happening at IPUMC

The staff at Irving Park United Methodist is growing...and with new faces come fresh ideas and energy. As Pastor I recently celebrated four years with the congregation here in this wonderful neighborhood. I'm excited about the

tremendous team we've gathered to help enrich worship. Hope Reyes is the new Director of Children & Family Ministries. This Fall, children from preschool to fifth grade are taking time each Sunday morning to "Dive Deeper" and "Discover God." The Faith Filled Families series continues one Saturday night a month. In October families gathered to learn more about world hunger and made bread used in communion. Now our youth are adding the Christmas pageant rehearsals to their schedules.

Jonathan Braun, minister of music and worship arts, just announced the start of a Special Music Team (seeking soloists; vocal and instrumental), Percussion Ensemble (experienced and "want to learn" talent is welcome) and a Seasonal Choir (preparing for Christmas!). He invites all lovers of music to join him in preparing for Advent. Stop in for worship and hear this talented young man make the most of our acoustically sound sanctuary.

Michael Bates is a student in his second year of study at Garrett Evangelical Theological Seminary in Evanston where he is pursuing a Master of Divinity degree.

Joyce Mylander, church secretary, isn't new. She has been coming to this church since she was born. So, there isn't much Joyce doesn't know when it comes to the history of IPUMC. She keeps things in order for us all.

So it is more than just new windows and a face lift for the facade of this church. There is a lot going on inside. We invite you to come worship with us.

The Critics Loved It!

by Marlena Ascher

The Shadow of A Gunman, the fourth play produced by Seanachai Theatre since it arrived on the Northwest Side, closed October 23. Just like Seanachai's other three plays produced at the Irish-American Heritage Center, this play was also nominated for the Joseph Jefferson award – two days after it opened.

WBEZ's Dueling Critics, Jonathan Abarbanel and Kelly Kleiman, highly recommended it: "The costumes and set were period-perfect recreation of a 1920s Dublin tenement. Marrying comedy and tragedy can be tricky, but this production is a remarkably successful marriage of the two. This story is universal and fresh. It could have been written today about people in Kabul, Somalia, or the West Side of Chicago." In addition, the play received rave reviews from Time Out Chicago, Chicago Reader, Windy City Times, Chicago Critic and New City Chicago! These reviews validate the quality of the work Seanachai Theatre produces, and further helps the Northwest Side be known as a destination for the visual, performing, horticultural, and culinary arts!

Expect more great reviews next spring when Seanachai produces Eugene O'Neill's *Moon for the Misbegotten*, with Brad Armacost and Steve Pickering (March 15 through April 22). Mark your calendars now! Seanachai Theatre Company is located in the Irish American Heritage Center, 4626 N Knox Ave in Chicago's Mayfair neighborhood.
