Dear Neighbor,

LOOKING BACK, LOOKING FORWARD: The WWCA is celebrating its 100th year as a civic organization in 2012. The needs and issues facing our Community have changed many times over the years. The WWCA would like to enter our second century as an effective voice for all members of the community. The WWCA has traditionally sponsored events, published the Wire, held general meetings with topical presentations, coordinated the annual garage sale, and so much more. Last year, we conducted a survey and are taking steps to be responsive to the needs reflected in those results.

Now that we have that information, we need the volunteers to keep supplying the support and activities people want. We would like to keep the WWCA viable, responsive and accessible to all of the community. To do that, we all need to pitch in, if we can. We will be asking for specific volunteers in the coming weeks. Think about what you can do and be ready for the call.

Finally, spring is officially here (or was that summer?) and permanent warm weather can't be far behind. Spring is always a time of increased activity. As you spend more time outside, cleaning, planting or just enjoying the outdoors, keep an eye on your neighborhood. We have had a increase in traffic issues (speeding, failing to stop at stop signs) and crime. Please, call 311, 911 or the Alderman's office to report any issue of concern. Attend a CAPS meeting if you can. We can all do a little bit to make the neighborhood safer for all.

President, WWCA

A Moon for the Misbegotten

A Moon for the Misbegotten is the companion piece to Eugene O'Neill's autobiographical Long Day's Journey into Night and his final play. It is a tale of humor, vulnerability and passion in which two lonely souls find a window of happiness in the moonlight and approach the coming dawn with hope and apprehension. Directed by ensemble member Kevin Theis, the cast includes renowned Chicago actors and ensemble members Jeff Award-winning actor Brad Armacost, Carolyn Klein, and Steve Pickering, a veteran of Broadway who has performed in over 30 productions at the Goodman Theatre.

Don't put off seeing this play, thinking you will get around to it later because this amazing production will run for only six weeks. Do yourself a favor: Feed your soul. See this beautiful story. March 22 - April 29. For tickets call 866-811-4111 or order online by visiting www.seanachai.org.

WWCA General Meeting Minutes

March 27th, 2012

Officers Present: Mike Webber, Davor Engel.

Current bank balance was reported by Mike Webber to be approximately \$3,800.00.

Davor Engel reported on his attendance at the recent Save Portage Theater meeting, which attracted more than 1000 attendees. The Chicago Tabernacle, an Albany Park

religious organization, has proposed to purchase the theater and convert it for church use. This would include removal of the marquee and substantial alteration of the interior. The conversion of the theater is opposed Alderman Arena; however, the church has applied to

the zoning board for the necessary zoning changes, which would be required prior to the church's purchase of the property. More information is available at www.portagepark.org and a facebook page has been established at www.facebook.com/SavePortageTheater.

Mike Webber reported on methods to create neighborhood watch and phone tree groups to help neighbors report concerns ranging from litter to crime.

Materials supplied by the Seventh District were distributed to meeting attendees. In addition, the

WWCA is investigating several new hyperlocal social networking platforms as possible recommendations to modernize traditional neighborhood watch and phone tree systems.

These social networks could be used for the entire West Walker area or sized down to specific blocks to suit the needs of a given block. More information regarding these networks will be provided in the future.

As a reminder, for certain complaints (such as loud noise, panhandlers and aggressive people), the police often need to see an activity to make an arrest or take other action. In such cases, reporting the activity at a CAPS meeting or making a community concern report through ClearPath is not as helpful in resolving the issue as calling 911. So, in addition to registering such a complaint at a CAPS meeting or through a community concern report, a person seeing and wishing to report such activity should call 911 at the time the activity is occurring, so the police can respond, see the activity and take appropriate action.

CAPS meetings for our beat are currently held monthly at the 17th District Police Station, 4650 N. Pulaski, in the Community Room. Meetings begin at 7:00 p.m. on the third Wednesday of the month and typically last one hour. The next regularly scheduled meeting for Beat 1723 is Wednesday, April 18, 2012.

Have a CAPS Issue?

You can submit concerns to CAPS online at <https://portal.chicagopolice.org/portal/page/portal/ClearPath>. Then on the left-hand side, click "Report a concern about an issue affecting your neighborhood."

39th Ward Report

The Department of Water Management will install a new sewer main in Monticello, from Berteau Avenue to Belle Plaine Avenue, and in Belle Plaine, from Monticello to Elston, to replace the existing 106 year old pipes. Installation of the new sewer will begin shortly, with completion anticipated for May

2012, depending on weather.

During the last part of construction (approximately early May), Elston Avenue will be closed to "through traffic" between Hamlin and Ridgeway. Traffic will be detoured along Pulaski and Irving Park. "Local Traffic Only" will be allowed between Pulaski and Hamlin, and Irving Park and Ridgeway. Restoration of the damaged streets and parkways will follow this project. The Department of Water Management will soon be contacting residents who will be immediately affected by the construction. This is a major construction project that will no doubt cause some disruption, but it will benefit the community with improved drainage and a reduced risk of flooding.

Join us for our annual Clean and Green on April 21. It's a great opportunity to welcome spring, meet with your neighbors and freshen up your community. If you would like to participate, and if you need any supplies or bags, please contact Jonathan in my office at 773-736-5594.

With milder weather here, the Department of Streets and Sanitation has begun their Street Sweeping program. Street sweeping occurs between 9:00 a.m. and 3:00 p.m. on weekdays. Watch for the brightly colored "No Parking" signs posted on light poles and parkway trees. Failure to comply with parking restrictions for street sweeping will result in a costly ticket.

The Chicago Park District has a variety of programs for children and adults. Online registration for Summer 2012 programs begins on Monday, April 9th, and walk-in registration begins on Saturday, April 14th. Please contact Independence Park (3945 N. Springfield - 773-478-3538) or the Chicago Park District website (www.chicagoparkdistrict.com) for further information.

As always, if you have any questions or concerns, please contact my public service office at (773) 736-5594 or email us at ward39@cityofchicago.org.

Sincerely, Margaret Laurino, Alderman, 39th Ward

Save the Portage Theater!

A multi-community effort is underway to save the Portage Theater from being purchased by a religious organization against the wishes of all the surrounding community and business associations. For more information and details on how you can help, please visit www.facebook.com/SaveThePortageTheater or contact the office of Alderman Arena at 773-286-4545. This theater is a tremendous historic treasure and an economic focal point for the growth of Six Corners and the surrounding area. Please take a moment to help.

News From Irving Park Community Food Pantry

Hunger Walk Coming June 23rd

The 27th Annual Hunger Walk, sponsored by the Greater Chicago Food Depository, will step off at Soldier Field. Supporters can help the Irving Park Community Food Pantry in a number of ways: by donating, walking or organizing a team of your own. More details to come next month.

Food Drives Thanks to Liberty Tax Service (4900 W. Irving Park Rd), which provided a 50% discount to anyone bringing in food donations for IPCFP in March. The Irving Park United Methodist Church is holding a food drive for the Pantry during the month of May. Thanks to all in the congregation who help!

Executive Director John Psiharis spoke about the Pantry's Homebound Delivery program on a panel discussion at the Greater Chicago Food Depository, met with Representative Deborah Mell (and Client Services Coordinator Belma Torres and others from GCFD) to discuss food security and spoke during the Minute for Mission at Carter Westminster United Presbyterian Church.

Grants Writer Gloria Price attended a grants meeting with Congressman Mike Quigley, while Belma Torres participated in the GCFD annual Springfield Lobby Day. On April 1, Pantry President Kate Roche spoke at the Park Ridge Presbyterian Church about our efforts. Thanks to all these groups for allowing us to spread our message!

The Alan Shawn Feinstein, who divides \$1 million annually among hunger-fighting agencies nationwide, will again be supplementing donations to IPCFP. These funds are based on the total donations of food and money received during the month.

Men's Socks Needed Any donations of new men's, white, crew-length athletic socks can be left with food donations at the base of the stairs through the Grace Street entrance during business hours at Irving Park United Methodist Church (3801 N. Keeler). Thank you to the generous anonymous donor who recently sent us 14 pairs!

Fundraising News

Our annual ABC Auction was a huge success due to the amazing efforts of the entire Disney II

community! Special thanks to our host for the evening, Homaro Cantu, owner of Moto and Ing. Together we raised more than \$35,000 towards the Extreme Gym Makeover. Funds raised thus far have enabled us to install score boards, new stage curtains, and sound proofing material for the walls.

What's that you say? This spring the Disney II Educational Foundation will be raffling off a family trip to Disney World. Stop by during the month of April to purchase a \$10.00 raffle ticket. The drawing will be held on May 24th, but you need not be present to win.

Science News Thanks to an IBM grant, the science lab will be updated with 16 cordless microscopes, 8 stereo microscopes, 3 digital microscopes, and many more materials to spark the curiosity of our young scientists.

The Battle is On Disney II has been selected to host the citywide finals of the Battle of the Books competition on April 28, 10-12 a.m. Stop by to witness the children's love for reading, get inspired, and cheer for the finalists.

Park View Lutheran School

March was the Park View Science Fair. The Preschool class showed their perspectives on positive and negative magnetic forces. The 7th and 8th Grade class tested female and male intelligence through a mouse maze, and many more interesting experiments.

The last week of March, the upper grade classes spent 3 days at WalCamp. They learned about Native American tribes of Illinois and studied the clouds and constellations, performed archery and cooked over a campfire. The beautiful weather allowed for many hikes as well.

All are welcome to join us on Easter Sunday. Easter Breakfast will be from 9:30 to 10:30 a.m. Scrambled eggs, french toast, sausage, etc. will be served. Tickets can be purchased at the door. The Festive Eucharist will be at 11:00, followed by an Easter Egg Hunt.
