Dear Neighbor,

THE LONG AWAITED WWCA WINTER SOCIAL on March 8th came upon us as quickly as the past two storm watches. What we had instead of snow was a group of 30 plus (in number and age) residents to hang out and catch up at our favorite neighborhood pub, Paddy Mac's! The always gracious host, Brian Esterline, as well as Jack Prikos, were there to welcome us with savory appetizers (The Lenten Tuna Wraps were a hit), local beers and their new wine offerings!

All WWCA attendees enjoyed the end of a hard work's week with neighbors - new and old. The late night juke box dance party was the climax of the evening - as every party should be!

We're looking forward to the next WWCA Winter Social in addition to the many events with WWCA members before then. Thank you to all who attended!

39th Ward Report

With any luck, spring is just around the corner. This means it's time to spruce up the neighborhood! Our annual Clean and Green will be on Saturday, April 20. To participate, contact Jonathan in my Ward Office at 773-736-5594. We'll provide some of the items you will need to clean your corner of the neighborhood.

The following week, on Saturday April 27, I will be hosting a shredding and electronics recycling event in the parking lot next to the Mayfair Library at 4400 W. Lawrence. Drop off your old electronics, and they will be recycled safely and securely.

Street sweeping is underway! Regular cleaning keeps the roadways clear for motorists and supports effective storm water management in our sewer system. Posted parking restrictions allow our sweepers access to the curb lane where debris and trash collect. The city's Department of Streets and Sanitation has posted their street sweeping schedule online. You can find it at: http://www.cityofchicago.org/city/en/depts/streets/provdrs/streets_san/svcs/street_sweeping.html

Please be aware that the city's street sweeping is scheduled around the old ward boundaries! For example, if you used to live in the 45th Ward, but were recently redistricted into the 39th Ward, you should look at the 45th Ward street sweeping schedule.

As always, please contact my 39th Ward Office at 773-736-5594 or Ward39@cityofchicago.org if you have any questions or concerns.

Sincerely, *Margaret Laurino, Alderman, 39th Ward*

Get Exercise While Volunteering!

Isn't it nice to get the *West Walker Wire* delivered to your home free? Well, we need volunteers to make that happen. You can be one of our dedicated carriers. We are looking for someone to deliver the Wire, once a month (except for summertime), to the homes on Monticello between Irving Park and Montrose. The newsletters will be delivered right to your door for you to distribute. If you can help out, please call Mike Webber at 773-539-8346.

Help Save Our Ash Trees

By Maureen Taylor, Irving Park Garden Club

Did you know that the Emerald Ash Borer is a lethal enemy of ash trees and that it first arrived in the United States from China in about 2002? Did you know that it was first observed in Chicago in 2008 in Bronzeville and that it quickly spread throughout the city? Did you know that many people mistakenly think that there is no way to save a tree once it is infected?

Chicago is among a handful of American cities that has invested in a powerful new product and focused training so the city's Forestry Department can address the Emerald Ash Borer problem.

The city has a plan to treat some ash trees, and with our help more can be saved. The rich collection of lush, mature trees on the Northwest Side plays a special role in our burgeoning economic and cultural development. Ash tree devastation would noticeably detract from that beauty, but more than that it would also cause practical problems. A mature tree absorbs from 120 to 240 pounds of air pollutants every year. A mature tree canopy reduces air temperatures by about 5 to 10°F, influencing the internal temperature of nearby buildings. Mature trees help reduce as much as 65 percent of storm runoff. They also contribute to soil stabilization and cleaner water.

Did you know that it costs the city \$56 to treat each infected ash tree vs. \$1100 to cut one down? If you're not concerned about their beauty, consider the economics. Waste is avoidable if we act now. What can you do?

Come to this important community meeting where you can learn how to **easily** help save our ash trees. Alderman Timothy Cullerton of the 38th Ward invites all from every Northwest Side neighborhood to this event: Wednesday, April 17, 6:30 – 8:30 p.m. at Wright College Auditorium, 4300 North Narragansett.

News from Irving Park Community Food Pantry

By Craig Shutt

Pilot Program Enhances Pantry Buying

The Irving Park Community Food Pantry (IPCFF) is pleased to announce that it has been selected by the Greater Chicago Food Depository to receive part of a grant from the City of Chicago's Department of Family & Support Services. The grant, for \$900 per month, will allow the Pantry to procure additional food for our clients from the GCFD's supplies.

This pilot program is designed to enhance our ability to purchase nutritional foods from GCFD to provide to our clients. It will help us buy staples such as eggs, peanut butter, jelly and cooking oils. The grant is issued in monthly installments as a credit to our account each month, to be used during that month.

The program, which began in February, will continue through the rest of 2013. The Pantry's only requirement is to collect some additional demographic information about the clients who receive food from the grant, much of which already is collected for our regular USDA allocation.

The Pantry was selected due to our quality of service, good management, our geographic location and the volume of people we are able to serve in our few operating hours. This speaks volumes about our volunteers and the great work they do! We appreciate the efforts of Jenny Schuler at DFSS and Virginia Yniguez, government programs manager at GCFD, for creating this program and including the Pantry as a part of it.

The grant is especially helpful now, as food costs have risen significantly in the past year. Costs rose by 15% in 2012, including the price for food purchased from GCFD (from 7¢ to 8¢ per pound). Those small increases add up for the volume of food that we buy to feed our clients.

If you are looking for specific items to donate, we are in special need of key staples that are in short supply from government and local sources. These items include peanut butter, rice, cereal, one-pot meals, soup, canned meat (tuna, salmon, chicken), and jelly.

Welcome New Board Members

IPCFF welcomes five new members to its board: Joyce Benninghouse, Marsha Niazmand, Rev. Katherine Paisley (of the Irving Park United Methodist Church), Sandra Schwarzbeck and Sara Yoest. They will help the Pantry make decisions involving financial, operational and strategic activities. If you have an interest in serving on

the Pantry's board, please contact Executive Director John Psiharis at info@irvingparkfoodpantry.org.

Feinstein Challenge Returns!

The Pantry again is participating in the Alan Shawn Feinstein Challenge. His organization divides up \$1 million each year to hunger-fighting agencies based on their contributions during March and April. If you donate to the Pantry before April 30th, those contributions will go toward our total to receive some of this money, which often consists of several hundred dollars. You can check out the organization here: <http://www.feinsteinfoundation.org/> Thank you for your support!

Special thanks to Whole Foods Sauganash, which extended the Pantry's participation in its "Dime at a Time" program for the last three months of 2012 to include January, too. The program provides 10¢ off the register total for each reusable bag that customers use, and they could designate the Pantry to receive that rebate. The four-month program raised more than \$2,000 for the Pantry. Thanks to all who shopped at Whole Foods and donated their savings to us!

Thanks also to Aldi Foods (5001 N. Pulaski Ave.) for offering to supply us with food when they have overstocks from now on. We look forward to working with them and adding their donations to our regular distributions.

The West Walker Civic Association and Soup & Bread Chicago held a special fund-raising event to benefit the Pantry in January at the Hideout (1354 W Wabansia Ave.). The event raised \$550 for the Pantry. Thanks to everyone

IPAC Spaghetti Dinner Rescheduled for May 18

The Independence Park gymnasium will have a brand-new floor installed during the next several weeks! Due to this unanticipated—but much desired—park improvement, the annual Spaghetti Dinner has been rescheduled from Saturday, April 13, to **Saturday, May 18**. In past years the Spaghetti Dinner has hosted more than 300 people with activities for children, a raffle/silent auction, food, drinks, and plenty of socializing with friends and neighbors. IPAC apologizes for the schedule change, but we hope that you will join us May 18, from 5 to 8 p.m. at the field house, 3945 N. Springfield. Tickets are \$5 per child (ages 12 and under) and \$15 per adult; available at the door.

IPAC seeks donations for the Spaghetti Dinner silent auction. If you can donate sporting tickets, gift certificates, travel destinations, technology gifts, wine, or other fabulous items, they would be greatly appreciated. All donations are tax deductible. Please mail or drop off your donation by May 10 to the Independence Park Advisory Council, 3945 N. Springfield Ave., Attn: Spaghetti Dinner Fundraiser. For questions, email info@ipac-chicago.org.

Proceeds from the annual Spaghetti Dinner help to fund programs and improvements at the park all year, including summer Movies in the Park, the 4th of July Parade, Swim with Santa, and Easter EGG-Stravaganza. IPAC has also purchased two air conditioners for the auditorium, team benches for the gym, a new refrigerator, and a radio for recreation classes from funds raised at Spaghetti Dinner.

Neighbors,

I live in West Walker and I have several clients looking to purchase in our neighborhood. The inventory of homes for sale is low, a fact noted by the Chicago Tribune on Jan. 23, 2013 when it stated that "(c)ompared to a year ago, inventory has plunged. For instance, in Chicago, there were 14,183 homes for sale in December 2011. Last month, there were 8,036 listed properties, or 43.3 percent less. As a result, the average number of days it took to sell a Chicago home fell almost 19 percent year-over-year, to 77 days last month."

If you have been thinking about selling please contact me to discuss. Even if you do not want to list your home on the Multiple Listing Service, I may still be able to assist you in selling your property to a qualified buyer.

Sincerely,
Connie
