Dear Neighbor,

SUNSHINE RETURNED for the 28th annual West Walker Civic Association Garage Sale, which was held Saturday, May 18, 2013. Everyone had a great time. Many thanks to Bob and Kevin Crowley and Melanie Reschke for their work on the sale. It wouldn't happen without them.

I would also like to thank Lt. William Mullane with the Chicago Police 17th District for joining us at the West Walker Civic Association general meeting on May 21, 2013. As a tactical officer, he gave us wonderful insight into the efforts being taken in our District to reduce gang crime. As always, he advises to call 911 if anything seems out of place. If necessary, you can also call the 17th District directly at 312-742-4410.

John Riordan, who recently joined Alderman Laurino's team as Director of Economic Development and Business Affairs also join us at the recent general meeting. John had insightful things to say about development in the Ward as well as quality of life and crime issues. I'd love to see him work with us on Elston Avenue improvements. He can be reached at 773-736-5594.

Have a safe and wonderful summer.

Report it or the Police Won't Know About it!

As mentioned in the meeting minutes, Lt. Bill Mullane reported that shootings are down by 29%, but robberies have increased, as well as—most notably—auto thefts, particularly 1990-1998 models of Hondas and Nissans.

The lieutenant reminds West Walker residents that in order to have a greater police presence in the area, the police need to hear from us regularly. If you see anything suspicious, call 911 or make a report with the 17th District Front Desk by calling 312-742-4410. Also attend your local CAPS meetings, which meet on the 2nd Wednesday of every month. The next CAPS meeting is scheduled for **Wednesday, June 19 at 7:00 p.m.** at 4650 N. Pulaski, in the Community Room.

West Walker Civic Association meetings are also a great place to find out what's going on in your community. Make a point of attending the WWCA Meetings. As a member, we want to know what you want out of WWCA! Let us know at the next meeting. Mark your calendar for **September 17th, 7:00 p.m.** at the Latvian Center.

The Carlson Community Services Board and Three Brothers Garden Committee would like to thank founding member and dedicated volunteer **Lynette Schroeter** for her service. Since the garden's inception in 2008, Lynette played a large part in the design, construction and maintenance of the garden. She also played a large role in garden fundraisers like the Chili Supper and Soup & Bread. Lynette's creative vision and work ethic will be missed. We wish Lynette and her husband Gary all the best with their move out of state.

Just as we bid farewell to Lynette, we welcome our summer volunteer coordinator, **Katherine Jordan**. Kate was chosen from a very capable pool of college students for the internship position. Kate is a junior at the University of Wisconsin, Madison. A resident of the Independence Park neighborhood, Kate has volunteered in the garden covering watering shifts when she was in

high school. She brings a great level of energy and enthusiasm to our weekly harvests! Come and say "hello!" to Kate.

News From Irving Park Community Food Pantry

By Craig Shutt

Volunteers with the Food Pantry prepare to walk in the 2012 Hunger Walk starting at Soldier Field. Join us at 8:30 a.m. on June 29th to walk with us this year! Photo by Anna Besmann.

Walk with the Pantry! The Irving Park Community Food Pantry is signing up walkers and taking donations for the 28th annual Hunger Walk to be held on **Saturday, June 29th** at Soldier Field. Registration begins at 7 a.m. and walkers step off at 8:30 a.m.

Best of all, participants don't need to actually walk the 5K (3.2-mile) route along the lakefront—they just need to be present that morning. That includes kids! And IPCFP receives a bonus credit to our account from the sponsor, the Greater Chicago Food Depository, for each walker. We also receive bonus funding up to \$5,000 to supplement what we raise in our own account.

To benefit the Pantry directly, click on the Hunger Walk link on the Pantry's website (www.irvingparkfoodpantry.org) to participate in three ways:

1. Donate to the Pantry's Team. Click on the Hunger Walk logo on the Pantry's webpage to make a donation to our team or an individual walker. You also can sign a walker's pledge sheet, donate at our website through our secure link, or bring a donation to the Pantry office. Please designate that your donation is for the Hunger Walk, as every donation we receive for it increases the bonus funds we receive from GCFD.
2. Join the Team. Individuals can join the Pantry's walkers and raise funds. Each walker gives us a bonus payment from GCFD. To join, go to our Team Page and click on the Join Team link. Or, from the main Hunger Walk page at www.chicagosfoodbank.org, search for "Irving" in the Team Search.
3. Organize a Hunger Walk Team of at least 10 walkers. Each walker signs up pledges to sponsor their walk. Go to the Hunger Walk page at www.chicagosfoodbank.org to sign up your team.

When signing up or donating, please use the **Pantry's agency number (#A00113)** to ensure your donations are given to IPCFP and we receive credit toward our total.

Left: Marsha Niazmand was presented with the 2012-2013 Volunteer of the Year Award. Right: Thank you to the young volunteers from Disney II Magnet School who donated their time during a visit to the Pantry in April. They helped bag food, take out trash, break down boxes, double-bag, and sort and store food with great energy and big smiles. Photos by Craig Shutt.

The Pantry will be sharing a table with Liberty Tax Service (4900 W. Irving Park Road) at the **Six Corners Barbecue Festival on June 15th and 16th**. We also will have a booth at the **GIPNA Independence Park Farmers Markets** all summer. Stop by and see us at these events. We'll have cooler bags and hats you can buy to show your support for the Pantry!

The Pantry held its annual Volunteer Appreciation Luncheon on May 29th at **Mirabell Restaurant** (3454 W. Addison), thanks to the contribution and efforts of owner Jeff Heil and his staff. During the event, **Marsha Niazmand** was announced as the Volunteer of the Year. Marsha has volunteered at the Pantry for more than 10 years and put considerable work into expanding our distribution of pet food into a full-time operation. She has sought out regular donors, organized deliveries and coordinated volunteers to help each week. Today, about half of our clients receive food for their dogs, cats and other pets. She was an overwhelming favorite in the balloting, and her award was well-deserved!

Regretfully, in May we had to say goodbye and good luck to our part-time Client Resources Coordinator, **Belma Torres**. She was offered a full-time position at Lakeshore Hospital, where she has been working part time. Belma will continue her involvement with the Pantry by joining the Board of Directors this month.

Thanks to volunteer Pat Eisenhart and her son Thomas, who works for the Nature Conservancy, for supplying us with 800 reusable bags. The bags were distributed to our clients to help reduce the use of plastic bags.

St. Viator School

St. Viator Elementary School has enjoyed another successful school year. The annual Art Zone and Academic Fair at the end of April showcased some of the students' amazing achievements throughout the year. The school halls were illuminated with artwork inspired by Edward Hopper, Frank Lloyd Wright and Jackson Pollock.

On April 25, the Geographic Society of Chicago brought the GeoSphere to St. Viator. The GeoSphere is an extraordinarily unique learning environment. Our PreK through 8th grade students sat on Antarctica inside the 20-foot inflatable globe to discover how the world works and have an unparalleled view of our planet.

Student Council recognized Earth Day with a week of activities demonstrating the many ways we can protect our planet, including a workshop on Vermicomposting: The science of using worms to break down organic

matter. Other activities included an "Earth Hour" where lights and electronics were turned off to save energy, and a student/teacher Green Up & Clean Up around the campus by planting flowers, recycling and cleaning up.

In celebration of St. Viator's 110th anniversary, a glorious new 20'x3' mosaic mural is being installed on the exterior Eastside of the school. The theme of the mural is "Educating Generations of Faith" and the images are inspired by drawing from the school children.

A special note of gratitude goes out to the dedicated staff and family volunteers who passionately gave their time and talents to enrich the lives of all the students this school year. We congratulate all the students and teachers on their many accomplishments and wish the graduates much continued success in high school and beyond.

Please visit www.stviatorchicago.org to learn more about St. Viator and what we can offer your family. Contact Marge Tiritilli for a personal tour at 773-545-2173. Enjoy a safe and happy summer!
