Dear Neighbor,

I wanted to take the opportunity to welcome Alderman John Arena to his first West Walker meeting on December 17, 2013. The subject of the meeting was the proposed development of the former Centers of Light Church, located at 4053 N. Monticello Avenue, which is the subject of this month's minutes, as well as a recent article in DNAinfo. Alderman Arena was professional and a pleasure to work with, and will be a good steward of his portion of West Walker.

I would also like to encourage everyone to join us on February 15, 2014 for the West Walker Winter Social, this Year at the Independence Tap at 3932 West Irving Park Road. More information is on the back page of the Wire.

There are no more scheduled community meetings until March. Until then, stay warm, stay safe and read the weekly e-mail blasts for updated community information.

Is that tax refund burning a hole in your pocket?

It's tax time. And if you're thinking of spending your refund on a home improvement, you may wonder what's the best project to spend your money on. What's in style? And what will future buyers be looking for? According to Realtor.com and Remodeling Magazine, these improvements will give you the greatest return in Chicago when it's time to sell:

- A new steel entry door – 82% return.
- Replace your windows –75-77% return.
- Add a wood deck –75% return.
- Attic bedroom remodel – 73% return.
- Kitchen remodel – 73% return.
- Bathroom remodel – 63% return.

Here are the remodeling trends for 2014

- A modern kitchen with white or grey cabinetry, glossy finishes and appliances designed to blend in.
- Brass accents. Shiny brass is out. Dull, hammered brass is in.
- Updated bathrooms with large walk-in showers with multiple shower heads, heated floors or towel racks and glass tiles.
- Vibrant colors. Think green flash, lemon zest, nectarine and rouge red.
- Sustainable materials. Energy efficient HVAC & appliances are a given.
- Renewable materials like bamboo are in.

If you're looking to buy or thinking of selling your home, or know anyone who is, please contact me. I want to wish all my West Walker neighbors a happy and healthy 2014. We have a wonderful community and I am thankful to be a part of it for the last 18 years.

WWCA General Meeting Minutes

December 17, 2013

Officers and Board Members present: Mike Webber, Davor Engel, Dorie Westmeyer.

Also present: John Arena, Alderman 45th Ward

The December meeting was devoted to a discussion of the proposed redevelopment of the former Centers of Light Church, located at 4053 N. Monticello Avenue.

Elk Grove Village-based Sonco Real Estate was seeking community input on a proposal to convert the 24,000-square-foot structure into 30 apartment units, which would require a zoning change from RS3 (single family home, 30-foot maximum height) to RM5 (multi-unit, 47-foot maximum height).

Several neighbors within close proximity of the property raised concerns regarding the proposal, including density, traffic congestion and the possible use as a Community Center. The end-of-meeting consensus was not favorable for the development as proposed.

Alderman Arena was present to gauge the community response, and also noted that the proposal had not gone through the usual steps to provide additional public notice, due to the deadlines faced by the developer. Any proposal would be subject to further community input, as is required by Alderman Arena's guidelines.

This address used to be located in the 39th Ward, but it is now in the 45th Ward. If a proposal requires legislative action and comes to the City Council's Zoning Committee, I will be supportive of any decision the West Walker community and the 45th Ward make about this site.

If you live in a condominium building, the deadline to apply for a condominium refuse rebate for costs incurred in 2013 is quickly approaching. Applications for the rebate must be submitted to our 39th Ward office no later than Friday, January 10, 2014. The Property Management Company or Condominium Association may submit one application. Irving Park Fine Arts Committee presents the Über Horn Quartet on February 9, 2014 at 2:00 p.m.

Irving Park Fine Arts Committee Presents Über Horn Quartet February 9, 2014

The Irving Park Fine Arts Committee will present Über Horn Quartet on Sunday, February 9, 2014 at 2:00 p.m. The concert will be held at Irving Park Lutheran Church, 4100 N. Harding Ave.

The concert is free of charge, but a free-will offering may be made. A reception with the artists follows the concert.

Chicago's Über Horn Quartet is an exhilarating ensemble of four of Chicago's top horn players. They are Jeremiah Frederick, Anna Mayne, Kelly Langenberg, and Mary Jo Neher. The horn, commonly known as the French horn, is one of the most versatile instruments in the orchestra and Über's passion is making the horn and its wide variety of sounds, tonal colors and styles of playing more well-known and accessible. As founding members of the Chicago Horn Consort, they have covered a wide variety of repertoire for multiple horns. From traditional classical quartets and modern American composers to jazz and holiday favorites, Über covers it all. The four hornists of the Über Horn Quartet often delve in to the orchestral scene and to this end are members of some

of the region's top orchestras, including the Ars Viva, South Bend, Peoria, Illinois, Dubuque and Lake Forest symphony orchestras.

Soup & Bread is fun for the whole family!

Besides playing in traditional classical ensembles, the members of the quartet have played many Broadway shows both downtown and in the suburbs, including Wicked, The Phantom of the Opera, Shrek, My Fair Lady, Sweeney Todd, Carousel, The Addams Family, and Mary Poppins among others. Concerts by the Über Horn Quartet are sure to be an entertaining, informative, and fun-filled interactive experience for audience and players alike as the glorious sounds of four horns fill any concert venue with joy and excitement.

The Irving Park Fine Arts Concert Series is sponsored by Carlson Community Services and is in its 19th season of bringing high quality, professional musical and theatrical events to the Irving Park community.

Save the Date for Carlson's Soup & Bread!

What could be better than a steaming bowl of soup on a cold winter day? A steaming bowl of soup that benefits Carlson Community Services' neighborhood programs! FDC Foundation Renews \$30,000 Grant

The Irving Park Community Food Pantry is pleased to report that the FDC Foundation has renewed its grant to the Pantry for our Fresh Produce for Better Health Initiative and client-services program. The grant will fund purchases of fresh produce

for our clients and resources for Community Resources Coordinator Julie Kult. We are grateful to FDC for giving us such generous support and especially board member Susan Patke for her efforts on our behalf. Thank you to volunteer Gloria Price for preparing our proposal and working with the foundation to secure the grant.

Thanks to everyone who helped to make the holiday season a success for our clients! This includes the volunteers who helped on Tuesday night, December 10th, as well as those who worked both December Wednesday mornings to serve all our clients, those who helped set up and distribute the holiday meal on December 18th, and all who donated food, toys and money to help those in our neighborhood who needed a boost this holiday season.

Special thanks to parishioners and the 70 volunteers at Mt. Olive Church who canvassed Old Irving Park and the Villa to collect donations of food and money for the Pantry. Our delivery truck was filled to the top with food, and nearly \$4,000 in funding collected. We appreciate Roger Torbeck for his leadership on this project, Alfreda Rommel for her efforts in organizing it as a Pantry board member and member of Mt. Olive, and all our neighbors for contributing so generously.

St. Viator Elementary School provided two food drives for our holiday programs. Just before Thanksgiving, the school's Student Council organized a drive among classes and gathered about a dozen boxes of food. A few weeks later, the St. Viator Parent Association collected food (in lieu of admission) at its Mistletoe Market of crafts and also

auctioned off donated items. Those efforts brought in seven more boxes of food and \$370. Thank you to St. Viator students and parents!

Thanks also to Lynda Machaila and everyone at Kids' Work Chicago and Kids' Work Chicago Too for organizing a food drive that brought in a carload of boxes and bags of food. We also received a large donation of food from a drive organized by Jane Wilmoth at Bankrate Inc., as well as a carload of food collected by Immaculate Heart of Mary Church. Food donations also were received from Community Savings Bank and Grey Elementary School. Thank you to everyone who gave their time to help with the drives and to those who donated.

Toy drives were held for us by the Old Irving Park Association during its Holiday Dinner, Belden Elementary School, Irving Park United Methodist Church, Mariano's in Greentown, Pert Cleaners and Starbucks. Thanks also to Irving Park Lutheran Church for allowing us to store the toys at their location. In addition, several families held toy drives, including the Linnemeyer family, spearheaded by Cade and Avery Linnemeyer, who collected toys for the Pantry during their neighborhood get-together on Tripp Avenue. Megan Kennedy and her daughters distributed fliers to Irving Park Rd. businesses and encouraged them to participate personally. Others also organized toy drives and dropped off their bundles anonymously. Thanks also to Barb Cohn and Vicci Rodgers for organizing the Toy Room during our holiday distribution again this year!

Food Pantry, continued from page 7

Thank you to Irving Park United Methodist Church who gave the pantry \$125, part of the proceeds from its Broadway Blessings program.

The Pantry was featured in a special focus presentation on Hunger & the Holidays produced by Austin Montgomery of WCRX-FM radio 88.1. Austin was so impressed by the Pantry's operations that he has signed on as a new volunteer!

Instructor Alicia Theofanis of the University of Illinois Extension Program has 16 clients enrolled in Nutrition classes, held weekly at the pantry. Check our Facebook page each week to see what they've made!

Other positive partnerships: **Rotary Club of Chicago O'Hare**, through Pat Rantella, to receive donations of personal-care items from United Airlines, Lufthansa and other carriers. **Mariano's on Elston** joins our roster of weekly suppliers of food donations. They will also hold a food drive in January. Our participation in the **Greater Chicago Food Depository's Food Rescue** program is working smoothly, with Wednesday morning deliveries quickly unloaded, sorted and distributed to clients that day. Typically, we receive three pallets of frozen meat, produce, bakery items and other perishables that supplement the food we give our clients. The food aids our efforts to expand to Tuesday night and add to the staples we provide.

Thank you to everyone who has helped us serve the community. We enter our 30th year as Neighbors Helping Neighbors!
