Celebrate the Season and Support Hands to Help Ministries!

On December 14th, neighbors from throughout the Irving and Portage Park communities will join together to celebrate the holidays and support their neighbors in need. Many will travel throughout the community to carol and raise essential funds for Hands to Help Ministries.

Hand to Help provides resources to help neighbors maintain housing as well as offers resources to help homeless individuals find housing. Each year the organization provides services to about one hundred individuals in need. Individuals like Sally and her son. Sally's son attends a neighborhood high school and until recently lived with Sally in her van. Hands to Help provided Sally, her son, and Sally's mom with counseling services allowing the teen to move out of the van and live with his grandmother in the community. The social worker continues to work with the family to strengthen the avenues of communication between family members. Additionally, Hands to Help's Outreach Worker continues to work with Sally to help her find employment and housing.

Hands to Help invites the community to join us. Please consider caroling with your neighbors or inviting carolers to come to your home by emailing hthexecdiretor@gmail.com. Hands to Help also appreciates your donations. Please visit: handstohelpministries.org/ways-help/donate/ today!

Dear Neighbor,

IT HAS BEEN QUITE A YEAR here in West Walker and our surrounding communities. The increase in gang-related activity, robberies and other crimes was a great cause for concern. However, the community response was immediate, robust, and ongoing. Remember, if you see something suspicious, call 911 and your neighbors. Also, please plan to attend our next CAPS meetings on December 16, 2015 and January 20, 2016.

The concerns over airplane noise has also been in the news and many of our elected representatives as well as the FAiR organization have joined the fight to reduce noise. It will be a long process, but we will hopefully see some incremental improvements in the future.

I wish everyone a blessed Holiday season and hopes for a wonderful New Year.

Mike Webber, President, Pro Tem

New Policy Regarding Vehicle Registration Email Notices

Due to the lack of a state budget, the Secretary of State's office is suspending the mailing of vehicle registration renewal reminder notices. By suspending this service, which will save approximately \$450,000 per month, the office will be able to prolong the ability to mail vehicle registration renewal stickers, titles and license plates to vehicle owners for a few months longer before the postage account is depleted. Vehicle owners are encouraged to be mindful of their vehicle registration status. Motorists can sign up to receive reminder notices electronically by email by visiting www.cyberdriveillinois.com. You will need your registration ID and pin (located on your Illinois Registration Identification Card).

New Rules for Recycling

Starting January 1st, recycleables must be placed **loose** in blue carts.

"Everyone wants to do their part to help protect the environment, but when you put the wrong items in the blue cart - like a plastic bag - you contaminate not only your cart but a whole stream of otherwise useful materials," Streets & San commissioner Charles Williams said.

Plastic bags damage equipment at sorting facilities and also keep workers from seeing whether other non-recyclables - like pizza boxes or Styrofoam - have been placed in the cart. Streets & San incurs additional costs when non-recyclables have to be hauled from a sorting facility to a landfill.

Because so many people remain confused about what can and can't be recycled, Streets & San is preparing to debut a new website - Recycle by City Chicago - that will clear up misconceptions and provide a better visual representation of how to recycle correctly.

Fifth District Participates in Congressional App Challenge

U.S. Representative Mike Quigley (IL-05) announced that Illinois' Fifth District will be participating in the second annual Congressional App Challenge (CAC), a congressional initiative to improve student engagement in coding and computer science.

High school students will create and submit their own original "apps" to be judged by panels of local judges. Submission deadline is January 15, 2016. Members of Congress will announce the winners on February 22, 2016. Winners will be honored by their Member of Congress and have their apps featured on a display in the Capitol building.

The CAC was created because Congress recognized that STEM skills are essential for economic growth and innovation, and that the U.S. has been falling behind on these fronts. STEM occupations are projected to grow by 17 percent between 2008 and 2018, compared to 9.8 percent growth for non-STEM occupations. According to some estimates, the U.S. may be short as many as three million high-skilled workers by 2018. To maintain American competitiveness, it's crucial that the United States invests in our youth now, and helps them acquire these necessary STEM-based skills. The CAC highlights and encourages students to pursue those skills.

In its first year, the CAC received submissions from students in 84 districts. This year, the Challenge is striving to double that number. Recognizing the racial, gendered, and other disparities in the tech sector, the CAC will also focus on inclusivity and make the Challenge as accessible as possible to people from all backgrounds.

The Internet Education Foundation will be serving as the operational "sponsor" of the CAC. For further information about the Congressional App Challenge, please visit www.congressionalappchallenge.us/.

In 2014, Rep. Quigley presented Trushitha Narla as the winner of the Congressional App Challenge for Illinois' Fifth Congressional District with her app, Sign It! Her app translates numbers in sign language to a text format using leap motion technology that captures data from the user's finger motions.

8 Ways to Super Size a Small Kitchen

The holidays are here which means more people in your kitchen. Here are some tips to make your kitchen look and feel bigger.

1. **Let the light in.** Keep your window treatments simple or eliminate them. Hang glass pendent lighting to keep sight lines open in the room.
2. **Go with light colors** and keep the walls, cabinets and appliances in the same color family.
3. **Declutter** the countertops. Hang utensils. Put knives on a magnetic strip. Hang storage racks on the inside of cabinet doors.
4. **Use open or glass shelving** to give the illusion of more space. Replace cabinet doors with glass front doors.
5. **Paint** your top cabinets a **light color** and a slightly darker color for the bottom. Paint the walls the same color as the top cabinets.
6. **Choose small furniture** – petite island, slim chairs, open back chairs... Use a rolling cart when you need more counter space.
7. **Use geometric patterns** on the floor tile to elongate the room. Or add a patterned runner for the same effect.
8. **Think shiny and reflective.** Shiny appliances (stainless or white), glass tiles...

CAPS Report

Beat 1722 & 1723 CAPS Meeting November 18, 2015

Present: Beat facilitators Martha Hack & Carla Elliott, 2 Beat officers, CAPS Officer Maryjane Parks, Representatives from the offices of Ald. Carlos Ramirez-Rosa (35) and Ald. Margaret Laurino (39).

Officer Parks reported that a minor residing in the 4000 block of Hamlin was placed on "intense supervision" at his November 10th court date. In addition, he is required to perform community service hours. He is no longer on home confinement.

At 1:05 a.m. on November 10th, a male victim exited his vehicle behind his residence on the 4100 Block of Elston. Two subjects approached the victim from behind and pointed a handgun into his back, forced the victim back into his own vehicle and drove away with the victim. This was observed through the window of the residence, by the victim's wife who called 9-1-1. The offenders drove around with the victim for an hour and used his Debit Card at an ATM. The victim was released at the Citibank

at Devon/California, which is where the offenders used the ATM Debit Card. The victim was not injured.

WHAT YOU CAN DO:

- › Stay Alert! Be aware of your surroundings at all times.
- › Stranger – Danger, Be careful who you walk past and who follows you on foot or in a vehicle.
- › When driving home plan your route in advance and vary your route whenever possible. When exiting your vehicle be aware of any suspicious persons.
- › At night avoid walking alone, stay in lighted areas.
- › Trust your instincts. IF you feel uncomfortable in a place or situation, leave right away and get help if necessary.
- › Call 911 for anything suspicious. Note description flight and vehicle, if any.

Thank you to the many West Walker residents who called to report graffiti that appeared November 27th on the wall of Alfa Restaurant Supply facing Berneau at Springfield. And thanks to Alderman Laurino's office and Graffiti Blasters for seeing to its prompt removal. The 17th District tactical officers were sent photos of the graffiti. Multiple calls work!

"I lived in my home for 19 years and the decision to sell and move was bittersweet. Working with Dorie made things so much easier. From my first meeting with Dorie I was impressed with her professionalism & knowledge. She researched homes & had a great recommendation for pricing and a sound marketing strategy. She was easy to contact, easy to talk to, was supportive throughout the entire process and worked tirelessly to find a buyer who would love and appreciate the home as I did. I would strongly recommend Dorie Westmeyer to anyone interested in selling their home."

39th Ward Report

The magical atmosphere of the Christkindlmarket Chicago has returned to Daley Plaza for its eighteenth year and will remain open until December 24, when it will close at 4 p.m. This European holiday village market of wooden huts and twinkling lights that harkens back to the traditional holiday market in

Nuremberg, Germany, is open Sunday through Thursday from 11 a.m. until 8 p.m., Fridays and Saturdays from 11 a.m. until 9 p.m. Admission is free! For more information, please visit the Christkindlmarket website at www.christkindlmarket.com.

The city's 102nd Christmas Tree begins a new tradition this holiday season in Millennium Park near the intersection of Michigan Ave. and Washington Street.

Also in Millennium Park, the McCormick Tribune Ice Rink opened on November 13 and remains open until March 6, 2016, weather permitting. Located on Michigan Avenue between Washington and Madison Streets, the rink is free and open to the public, and skate rental is only \$12.

With winter comes snow, and many people rely on walking and transit as their primary way to get around. Without a wide, clear path through snow and ice, it is especially difficult for people with disabilities, seniors and children to walk safely. Please remember that it is the responsibility of homeowners and occupants to remove snow and ice from the sidewalks according to the Municipal Code of Chicago.

On December 1, at 3:00 a.m. the City of Chicago activated the Winter Overnight Parking Restrictions for the most critical arterial streets between the hours of 3:00 a.m. and 7:00 a.m. This seasonal parking restriction is in effect until April 1, whether or not there is snow on the ground.

The holiday season brings out the best in people and reminds us of our blessings. Best wishes to you and your family for a wonderful holiday season. My staff and I look forward to working together in the New Year. Sincerely, Margaret Laurino Alderman, 39th Ward

Three Brothers Garden Grows 828 lbs. of Vegetables for Food Pantry

Three Brothers Garden closed the 2015 growing season with a whopping yield of 828 lbs. of vegetables. Now in its seventh year of operation, the garden is a partnership between Carlson Community Services and Irving Park Lutheran Church. Vegetables grown in Three Brothers Garden are distributed to clients of the Irving Park Community Food Pantry. This past season we grew radishes, lettuces, kale, Swiss chard, carrots, peppers, cucumbers, tomatoes, beets, herbs and green beans. In planning what to grow, the volunteer committee that oversees the garden considers nutritional value and ease of preparation for food pantry clients. Since 2009, over 5,500 lbs. of vegetables have been grown for the Food Pantry.

Volunteers began working in the garden in mid-April and gardened through early November. Over 275 volunteer hours were logged, including harvesting, planting, clean-up and watering. Between 8 and 10 volunteers participated each week in the Tuesday night harvests. Regular volunteers included Melanie Reschke, Martha Sanders, Judy Madsen, Darcie Wadycki, Rebecca and Elmer Haneberg, Ellen and Ron Olech, Ruth Olech, Kirsten Gettings and Erin Bouman. During the month of July, five students from Schurz High School's BuildOn program participated in the harvests. Volunteers were led by college intern Alexandra Madsen. Alex oversaw the weekly harvests, delivered vegetables to the food pantry and tracked the number of hours volunteers worked and pounds of vegetables grown.

In 2015, Three Brothers Garden deepened its partnership with the Irving Park Food Pantry by assisting with the construction of an herb garden at the pantry and offering gardening classes to the pantry's clients. Led by volunteer Dorene Jordan, Project Homegrown provided materials and instruction to 35 food pantry clients on how to grow tomatoes and herbs at home. Project Homegrown, which was funded by the ChiDitarod Foundation, culminated in a cooking class that used tomatoes and herbs grown by the class.

Ruth Olech and Rebecca Haneberg are the co-chairs of the volunteer committee that oversees the garden. Committee members are Erin Bouman, Yaz Ebeid, Dorene Jordan, Liz Mills, Melanie Reschke and Rich Wielock. The garden is fortunate to have such talented and dedicated garden leaders and volunteers! We are grateful to the many people who believe that everyone should have access to delicious organic vegetables. Thank you!

News From Irving Park Community Food Pantry

By Craig Shutt

Pantry Celebrates Holidays December 16th

The Irving Park Community Food Pantry will hold its annual holiday distribution for clients on Wednesday, December 16th. At this event each year, we close the Pantry to our typical Wednesday operation and provide our qualified clients with the makings of a holiday dinner. We also allow those clients with children up to 12 years old to “shop” our Toy Room for a gift and a book for each of them.

To fill these needs, we are especially in need of stuffing, cranberry sauce, canned yams and vegetables, instant potatoes, cake mixes, Jell-O and canned pumpkin. For traditional food drives, we also are in need of dry goods, such as peanut butter, macaroni & cheese, hamburger helper-type meals (such as rice-a-roni and pasta-roni), whole-grain crackers, dried fruit and nuts, dry soup mixes, energy bars and juice (100% fruit juice). We always are in need of toiletries of all types.

We typically give out about 400 toys or so to clients. For some, it will be the only gift they receive, and those kids who are able to come in to pick out their own gift are very excited and happy to receive one. Your donations ensure clients' children can talk about their special presents with their friends who receive so much more. This year, we will not be receiving support from Toys for Tots, as we have in the past due to the amount of confidential information about recipients they now require. At press time, we're happy to say that we've received a lot of toy donations, and we thank you for your support!

We'd like to thank Sara Yoest for coordinating the toy program this year. Volunteers are needed to collect toys, set up the toy room Tuesday night and help with the toy distribution on December 16. For information or to volunteer, contact Sara at sara.yoest74@gmail.com.

Please remember to sign up for and use the Amazon Smile feature at Amazon when you shop for the holidays at that site. If you use that bookmark (which doesn't change how you access the site) and designate the Pantry as the recipient, we will receive 0.5% of the price of all purchases made all year long. We have already received several checks since signing up earlier this year, so it does pay off!

Great thanks to the anonymous donor who contributed 245 pairs of men's, women's, kid's and infant's socks

Volunteers Carmen Messina (left) and Jen (Maria) Murphy put together some of the bags of Thanksgiving food that the Pantry gave to qualified clients (three visits this year before September) in November. Photo by Craig Shutt

in November! We appreciate the donation, and we are always looking to replenish our supply. Many of the children's socks will be given away with our Holiday distribution, as we receive fewer requests for those. Men's white crew socks are especially useful, as men and women both like those for use year-round.

The Cultivating Growth Community Herb Garden by the Pantry's front door has yielded several hundred baggies of fresh herbs (basil, oregano, cilantro, thyme, parsley, mint, rosemary and sage) that have been distributed to clients each week immediately after harvest. Special thanks to Liz Mills, Executive Director of Carlson Community Services and the Three Brothers Community Garden, for her invaluable assistance and advice for this project. Thanks also to Vicci Rodgers, Rev Lowell Allen and Molly Melick for their efforts in maintaining the garden.

Thank you to everyone who attended, supported or donated to the Pantry's 7th annual Wine & Beer Tasting & Silent Auction, which was held Sunday, October 25th at the Abbey Pub. We appreciate their gracious hosting of the event and all their support in planning and putting it on. Thank you to all the committee members who helped make it a success: Joyce Benninghouse, Nora Byrne, Mike Mette, Marsha Niazmand, Craig Shutt, Lee Stein and Belma Torres.

Thank you to Peter Litton for once again arranging the wine selections and to H2Vino for donating a number of wines from around the world. Thank you as well to all the craft breweries who donated their beverages: Finch's Beer Co., Lake Effect Brewing, Metropolitan Brewing and Revolution Brewing, each of which donated two brands.

As always, call 911 to report suspicious activity or individuals in your neighborhood and provide detailed descriptions of the individuals and vehicles involved in any incident. Even if a neighbor has already reported the incident or activity, other neighbors should make separate calls. The police often look at the number of calls for service in determining the allocation of officers and resources with respect to a particular situation or incident. CAPS meetings for our beat are currently held monthly at the 17th District Police Station, 4650 N. Pulaski, in the Community Room. Meetings begin at 7:30 p.m. on the third Wednesday of the month and typically last one hour. The next regularly scheduled meeting for Beat 1723 is Wednesday, December 16, 2015. Please contact me at lizmills@sbcglobal.net if there are issues that you would like addressed at the CAPS meeting. If you or a neighbor have been the victim of a crime and you would like to share that information with your neighbors, e-mail the details to westwalkercrimealerts@gmail.com. Filament presents *Pinocchio: a Folk Musical* a new musical adaptation by Tyler Beattie (Hungry Hungry Hippos film in development with Hasbro) and directed by Scott Ferguson (Schoolhouse Rock Live! writer/creator). Chicagoans will experience Pinocchio as he's never been seen before in this freewheeling folk musical adventure of the puppet who learns to be real. *Pinocchio: a Folk Musical* plays Filament Theatre located at 4041 N. Milwaukee Ave from January 22 thru March 6, 2016.

"Pinocchio is at first glance a sprawling adventure, with magical creatures and journeys into wonderful and strange situations," says Beattie. "And yet at its core what makes this story endure is the way it explores the love of family, and the challenges and many pitfalls we encounter when we are growing up." Beattie goes on to say that "Pinocchio is great for kids - but really it is for adults who remember how hard it was to grow up, or wonder if they ever really did."

Beattie & Ferguson are reunited after collaborating in 2009 on Filament's highly praised *The Legend of Sleepy Hollow*, which Ferguson credits as one of his favorite creative processes to date. "The musical world that Tyler creates is so original and haunting, and it just hits you in that sweet spot that sticks with you," says Ferguson. He assures audiences: "Pinocchio is another memorable piece of theatre."

The show features six multi-talented actor/musicians who dexterously move from character to character while playing instruments including guitar, upright bass, accordion, piano, saxophone, clarinet, and violin. In collaboration with the performers, music director and orchestrator Tim McNulty has incorporated notes of gypsy jazz, the blues, and dixieland music into Beattie's endearing folk score.

Tickets range from \$5 - \$20 and are now available at www.filamenttheatre.org/pinocchio. Preview tickets are available for only \$5 thanks to the Inside Out Art Studio & Mask Shop. Filament is also offering school field trips and pre-show workshops!

The running time of the musical is approximately 60 minutes, and is perfect for ages 4 years and up. Performances are on Saturdays at 3 pm and 7 pm, Sunday at 12 pm & 3 pm. Filament Theatre is located at 4041 N. Milwaukee. Call the box office at 773-270-1660.
