# CAPS Report

## Beat 1722 & 1723 CAPS Meeting January 20, 2016

**Present:** Beat facilitator Martha Hack, CAPS Officer Maryjane Parks, CAPS Sgt. Michael Anderson, Property Crimes Detective 3rd Watch Officer, Representatives from offices of Ald. Margaret Laurino (39) and Ald. Carlos Ramirez-Rosa (35)

Due to an increase in the number of burglaries in Beat 1723, a representative from the Burglary Unit spoke. Recent burglaries have occurred between 7:00 a.m. and 5:00 p.m. Burglars gain access by kicking in or prying open a rear or front door. They determine whether anyone is home by ringing the doorbell. They'll move along if someone answers the door. Ways to protect yourself:

1. Keep doors and windows locked at all times.
2. Be careful not to allow access to a window by position of outdoor furniture.
3. If you're away, have neighbors pick up mail or newspapers.

4. Record serial numbers of electronics and bikes. These can be matched with pawn shop records.
5. Keep photos of jewelry and other valuables.

In addition, the third watch officer shared information about an attempted carjacking that occurred on 12/22/2015. The 4100 blocks of Harding and Springfield were searched by officers and a canine unit around 8:30 p.m. in response to a carjacking. The perpetrators are believed to be part of a carjacking crew who work throughout the city but who had recently been targeting the northwest side. Two of the suspects, who were both juveniles, were arrested the evening of 12/22. Two additional suspects were captured a few nights later. The offenders are not believed to be part of a gang. They target high end luxury vehicles. The Burglary Team and Major Crimes have allocated significant resources to breaking up this crew. It was not known whether the offenders were involved in the abduction that occurred in the 4100 block of Elston in November.

The remainder of the meeting was spent talking about a fatal shooting in the 3200 block of W. Irving Park. The victim was not affiliated with a gang and was running from someone. No further information was available.

“My husband and I worked with Dorie when we were looking for a condo in Lincoln Park. She quickly learned what our needs were and sent us new listings almost daily. Dorie was always available, and if not, returned emails or phone calls quickly. When we wanted to come to the city to look at homes, Dorie always accommodated us. When it came time to negotiate, she worked diligently to get us a good price and saved us tens of thousands of dollars. Dorie is the best real estate agent we have worked with, and we love the home she found for us. We won't hesitate to call upon her again if we decide to move in the future.”

## News and Events from Carlson Community Services

Carlson Community Services is a 501(c)(3) non-profit connecting

the Irving Park community with programs that enrich lives through education, culture and service.

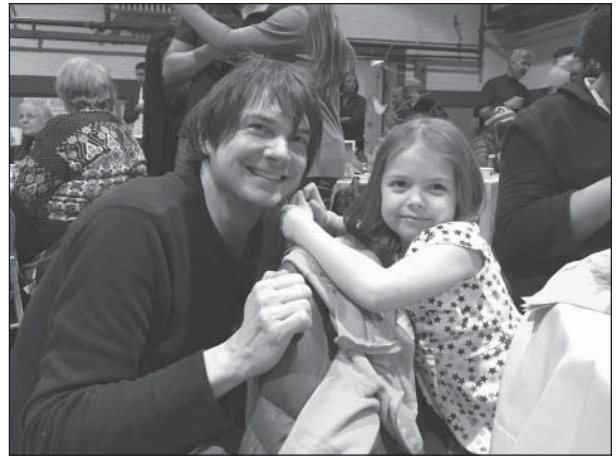

### MAP Program Holds 3rd Annual Talent Show

The Magic After-School Place (MAP) held its third annual talent show on December 18th. The acts included comedy (knock-knock jokes), magic tricks, singing and dancing. Family members and friends were amazed at the MAP kids' talents!

The talent show was the culmination of eight weeks of dance instruction by Chicago Loves Dance. The kids got to show off what they learned -- hip hop for the girls and break dancing for the boys. Funding for the dance instruction was provided by individual donors and the Greater Independence Park Neighborhood Association.

MAP was recently awarded a \$5,000 grant from Wheat Ridge Ministries for MAP's Junior Leader program. The goal of the Junior Leader program is to retain 5-7th grade students in the program by offering them leadership roles. Junior Leaders design and implement service projects and mentor younger students. One quarter of the program's 50 students are in 5th-7th grades, a large percentage increase over prior years.

Wheat Ridge Ministries provides start-up funding and resources to inspired leaders in congregations and nonprofit organizations beginning new and innovative human care initiatives. They focus on improving personal wellness of body, mind and spirit. Currently, more than 70 Lutheran-affiliated ministries around the world are receiving assistance through Wheat Ridge. To learn more, please visit their website at [www.wheatridge.org](http://www.wheatridge.org)

*Daddy/daughter bonding time at Soup & Bread 2015*

MAP serves 50 kids from Murphy and Belding schools, 80% of whom come from low-income households. ## News From Irving Park Community Food Pantry

By Craig Shutt

### Holiday Program Aids 1,143 Neighbors

The Irving Park Community Food Pantry's December 16th Holiday Distribution provided the makings for a holiday meal to 1,143 of our neighbors in 324 households, about the same number as last year. In addition, 288 children up to 12 years of age in 140 households received a toy, a stocking stuffer and mittens, scarves and caps, a slight increase from last year. We also gave a book to many of the children, although there weren't enough for everyone.

As clients waited for their numbers to be called upstairs in the sanctuary, they enjoyed Christmas caroling led by Dale Tippet and Irving Park United Methodist Church Pastor Katherine Paisley. Arts activities for the children were offered by Arts Van Go Go. Each household also received a United Airlines amenities kits filled with slippers and personal-care items through the support of the Rotary Club Chicago O'Hare.

Some toys remained, but they didn't go to waste. Fifty were donated to Carlson Community Services' Magic After School Place, 25 to the IPUMC Hispanic mission and 10 to St. Viator for their annual holiday adopt-a-family program. The remaining toys were taken by Alderman John Arena to donate to Toys For Tots. We would like to thank everyone for their contributions, as they helped many children at the Pantry and throughout the area.

Thank you to all who hosted food and toy collections in support of our holiday program. Toy boxes were located at Irving Park Baptist Church, Irving Park Lutheran Church, Irving Park United Methodist Church, Josi's Frozen Yogurt Café, Pert Cleaners, St. John's Episcopal Church, Starbucks on Kostner and the office of Alderman John Arena.

Thanks also to Sara Yoest and Debby Fries for coordinating the toy program, to Christine Lee and others for making gift runs and purchasing stocking stuffers. Thanks also to Debby, Anne Mette and everyone else who helped them organize and distribute the toys during the event.

Thanks to the volunteers from Community Animal Rescue Effort (CARE), who obtained donations for our clients' pets and ensured that each pet received a special holiday toy and treat in addition to pet food and supplies during the Holiday Distribution. They gave out supplies to 113 households for dogs, cats, a gerbil, a guinea pig, six parrots and a number of parakeets. We are always in need of cat food especially as well as kibble for small-breed dogs.

Volunteers, led by coordinator Sara Yoest (far left), prepare to help clients pick out a toy for each of their children during the Pantry's Holiday Distribution in December. Photo by Craig Shutt

A number of toy and food drives were held for our holiday program. Thank you to Pet Smart at Six Corners for their generous donation of 300+ plus stuffed animals and to Target on Addison for its donation of gift cards. Others holding drives included the Alzheimer's Association of Greater Illinois, Community Savings Bank (food and \$2,000 donation), Disney II Magnet Elementary School, Faith United Church, Intrinsic Schools, Irving Park Lutheran Church, Irving Park United Methodist Church, Jazzercise at Irving Park Lutheran Church, Redeemer of Cavalry United Methodist Church, St. Viator Catholic Church, St. Viator Elementary School and the Villa Townhome Association.

Added thanks go to the folks at Mount Olive Evangelical Free Church, which has continued to bring in donations from their November canvas. We recently received another check for \$2,000 from later donations received after the earlier contribution. All told, the donations have more than doubled last year's contribution! Thank you to Roger Torbick and Alfreda Rommel for coordinating the program and working so hard to make it a success.

Liberty Tax Office at 4900 W. Irving Park Rd. will donate \$5 to the Pantry for every tax return completed before February 15th. For more information, contact Michael McNichols at [mcnicholsm@marwill.com](mailto:mcnicholsm@marwill.com) or 773-286-6900.
