Dear Neighbor,

EVEN THOUGH SPRING IS TAKING ITS TIME TO ARRIVE, there is one sure sign that it is around the corner, and that's the annual West Walker Civic Association Garage and Yard Sale. In its 31st year, the sale is planned for Saturday, May 14 from 9 a.m. to 4 p.m. It's one of my favorite events, whether I'm manning my own sale or shopping everyone else's. It's a great opportunity to reconnect with neighbors who've been hibernating all winter and meet others who have recently moved in. Plus, garage sales are now in vogue as a green way to shop. Someone else's trash may very well be your treasure!

In a change from prior years, this year's West Walker 31st Annual Neighborhood Garage and Yard Sale will have some company, hopefully bringing more treasure-seekers to the West Walker neighborhood. GIPNA (Greater Independence Park Neighborhood Association) will also hold its Garage Sale the same date. Also, IPAC (Independence Park Advisory Council) is bringing sellers into Independence Park.

Anyone who misses the May 6, 2016 deadline to have the WWCA process your Garage Sale permit can go directly to their Alderman's office for a permit. Make sure to allow at least 2 days for the permit to be processed.

WWCA General Meeting Minutes

Minutes of April 19, 2016 West Walker Civic Association General Meeting

On March 15, 2016, Robert Murphy was elected the 39th Ward Committeeman. Robert was our guest at the April WWCA general meeting.

Robert discussed the traditional role of a Committeeman, and his plans for using the office to introduce an independent voice into 39th Ward politics, improve transparency, and work toward greater responsiveness to community concerns. A Committeeman is tasked with facilitating voter registration, turning out the vote and the mechanics of the election with the ward. Robert intends to promote transparency in the vetting process of the candidates, allowing greater voter participation in the slating process. Volunteers will be sought to participate and potential participants should go to murphyfor39.org or email Robert at murphyfor39@gmail.com for more information.

2016: Best Real Estate Year Since 2006

Good news. Researchers at Freddie Mac mortgage corporation expect the 2016 real estate market to be the best year since 2006, when home values were at their peak prior to the downturn in 2007. Here's why:

1. Mortgage rates are low. Rates on a 30 year mortgage are below 4% and aren't expected to increase until later this year.
2. Job growth. The US is gaining 205,000 jobs per month. Unemployment is below 5%. And wages are expected to increase.
3. The number of new households is increasing. There was a dip at the end of 2015. But given the steady job gains, researchers predict household formations should increase soon.
4. Demand is high, supply is low. It's a sellers' market. However, they predict supply is coming with an increase in single family and multi-family homes. It's still a sellers' market in West Walker.
5. Home equity is up. After the real estate crash, 26% of homeowners were underwater. They owed more than their home was worth. That's down to 8% today. Increasing home prices are increasing home equity.

If you're thinking of selling, now may be a good time. Every home is unique. **If you would like to know what your home is worth and how we would sell it at the best price, please call me for a free consultation.**

CAPS Reports

April 13, Beat 1732

Present: 17th District Commander Elias Voulgaris, beat facilitator Heather Aitken, CAPS Sgt. Michael Anderson, Ald. John Arena(45th), Representative Jaime Andrade.

Over 100 people crowded into the Athletic Field Park meeting room to hear Commander Voulgaris report on two homicides that occurred the weekend of April 1st and 2nd: the murder of the owner of Bart's Coins on Friday and the fatal shooting of a bouncer at Brudder's Bar at Pulaski and Addison. A detective was present to answer questions about the crime, but due to the ongoing investigation, the detective was not able to offer much information. Since that date, individuals have been arrested and charged for both crimes. Neighbors in attendance had many complaints about Brudder's Bar, citing it for noise complaints, fights, public urination and other nuisances. The bar voluntarily closed until April 18th. The Commander and Alderman John Arena (45th) talked at length about the steps they were taking in tandem with the City's Law Department to reopen Brudder's under a plan of operation which would include such steps as closing an hour earlier, more security

cameras, no outside promoters allowed to operate in the bar until after Labor Day, scanning patron driver's licenses and more.

April 20, Beats 1722 & 1723

Present: Beat facilitators Martha Hack & Carla Elliott, CAPS Sergeant Michael Anderson, Officer Hamid and another officer from Beat 1722, representative from Alderman Laurino's (39th) Office.

Approximately 30 people attended the April CAPS meeting. Sergeant Anderson shared an update on the two homicides mentioned above in the Beat 1732 report. No updates from the previous month. Sergeant Anderson reported that there will be an update on the Russell house (Leland and Central Park) at the next meeting. Residents asked for an update on a recent shooting at Mayfair Park. An adult and a juvenile have been arrested. Patrols have been stepped up. Residents voiced complaints about individuals living in a Gary Carlson-owned building at 4538 N. Kenneth. Carlson is working to get the tenant removed.

"Dorie was a huge help to my fiance and I as we searched for our first home. She called me only minutes after inquiring about a property and helped us every step of the way. She was always readily available when I had a question or concern by either phone or email. Dorie was very accommodating to our crazy work schedules whenever we wanted her to show us a home as well. She was very knowledgeable on the home buying process and was present for every important step to help guide us. We definitely could not have done this without her!

39th Ward Report

Our dining choices are about to expand near West Walker. The Old Irving Brewing Company at 4419 W. Montrose, is planning to open this summer. Longtime Chef de Cuisine at Charlie Trotter's, Matthias Merges, will be in charge of the kitchen. As owner of Yusho, A10, and Billy Sunday, Chef Merges is well-known for his creativity as well as exceptional food and drinks.

One of the city's most beloved Cuban restaurants, Señor Pan, will be opening soon at 4821 N. Elston. They are planning to be open for breakfast, lunch and dinner. For a quick fast food treat, Wendy's is planning a location at the shuttered car wash on Pulaski, just north of Montrose.

Something we don't see often in the 39th Ward is a helicopter lift. Old Irving Brewing Company will have their HVAC equipment delivered to their premises via helicopter on Saturday, May 14. They will need two lifts, planned for 8:00 a.m. During this time, Montrose will be closed from Kostner to Kenneth. They have requested a two-hour window for the street closure, but if all goes well, it should

take much less time, as little as 15 minutes. I will be sending an email notice as a reminder prior to May 14.

The North Park Village Nature Center, 5801 N. Pulaski, has a little something for everyone. Members of the Civic Orchestra of Chicago will be at the Nature Center on Saturday, May 14, from 11 am until 12 pm for a series of interactive and educational performances. On Friday, May 27, from 4 to 8 pm, at Late Great Nocturnal Night, you can learn about and look for wildlife that is active at night in the preserve – raccoons, opossums, skunks, and perhaps even a flying squirrel. No registration is required for these free events. For more information, please contact the Nature Center at 312-744-5472.

Finally, we are bidding a fond farewell to Dawn D'Amico, Executive Director of the Pulaski Elston Business Association. After 13 years at the helm of PEBA, Dawn is leaving to pursue a new career opportunity.

Irving Park Fine Arts Committee Presents A Free Concert Honoring African-American and Latin Composers

The Irving Park Fine Arts Committee is pleased to present The Chicago Sinfonietta Project Inclusion Ensemble performing works by African-American and Latin composers. The concert will be held Sunday, May 22nd at 2:00 pm at Irving Park Lutheran Church, 4100 N. Harding Ave., Chicago.

Members of the ensemble are: Karla Galva and Kyle Dickinson, violins, Rita Andrade, viola and Titilayo Ayangade, cello. The Ensemble will perform works from a diverse group of composers, including Duke Ellington, Igor Stravinsky and Heitor Villa-Lobos. Project Inclusion is the Chicago Sinfonietta's groundbreaking program where talent and mentorship converge to develop diverse and emerging musicians, conductors, and administrators on and off-stage.

Created by Sinfonietta founder Paul Freeman, Project Inclusion helps eliminate institutional bias due to factors such as ethnicity, race, and socio-economic status. Today, Project Inclusion offers four multifaceted, professional development fellowships to orchestral and ensemble musicians, conductors, and arts administrators.

A reception with the artists prepared by the Fine Arts Committee follows the concert. Admission to the concert is free, but donations are welcome.

The Irving Park Fine Arts Series, now in its 21st season, was begun by Roger Bingaman, the series artistic director. The intent of the series is to bring high quality, professional musical and theatrical events to the Irving Park neighborhood. The fine arts series is a program of Carlson Community Services. The mission of Carlson, a 501(c)(3) non-profit, is to connect the Irving Park community with programs that enrich lives through education, culture and service. For more information, contact Liz Mills at 773-398-6766 or visit carlsoncommunityservices.org.

Chicago Sinfonietta thanks the Andrew W. Mellon Foundation, Chicago Community Trust, MacArthur Foundation, the Boeing Company, Joyce Foundation, and others for their generous support of Project Inclusion.

Get Growing with Three Brothers Garden

Winter is over and Three Brothers Garden is waiting for you! The garden is a "pantry" garden, which means all vegetables grown in the garden are donated to Irving Park Community Food Pantry. Last year, 828 lbs. of vegetables were harvested for the food pantry. Gardeners of all experience levels are welcome.

If you're a novice, we'll show you how to plant, maintain and harvest. Junior high and high school student in need of service hours find working in the garden with other teens fun and rewarding.

The garden is located at 4107 N. Pulaski Rd., next to the Irving Park Lutheran Church parking lot. Three Brothers Garden is a partnership between the church and Carlson Community Services. Rebecca Haneberg and Ruth Olech are the volunteer co-chairs who lead the committee that oversees the garden.

To be added to the list to receive announcements about our harvest and work days, e-mail Liz Mills at lizmills@carlsoncommunityservices.org. Join us and get growing!

News From Irving Park Community Food Pantry

By Craig Shutt

Walk with the Pantry June 25th!

The Irving Park Community Food Pantry is gearing up for the 31st annual Hunger Walk, to be held Saturday June 25th at Jackson Park (near Hyde Park). The Walk, sponsored by the Greater Chicago Food Depository, covers 5k (3.1 miles) and aims to raise awareness about hunger in our communities. Pantries and other organizations come together to create a large crowd with activities and music during the day.

The Walk is the Pantry's biggest fund-raising event of the year, so please save the date and join us. Registration opens at 7 a.m., and the walk steps off at 8:30 a.m. Students can receive volunteer service hours for participating!

A link to our Hunger Walk page at the GCFD's website is available at our website (www.irvingparkfoodpantry.org). Or, you can go to the GCFD site (www.chicagosfoodbank.org), click on "Hunger Walk" under "Upcoming Events" and then click on the Pantry's logo on the Irving Park Food Pantry listing. From there you can donate or sign up to walk. We'll hope to see you there!

Our thanks again this month go to Liberty Tax Services on West Irving Park Road, which created a promotion in March to raise money for the Pantry. The company offered a 50% discount on tax-preparation fees to anyone making at least a \$20 donation to the Pantry. The program raised \$1,570! A different promotion in January and February raised more than \$465.

Our Cultivating Growth Community Garden is in need of donations of herbs, organic fertilizer and top soil. If you can help, please contact Sandra Schwarzbeck at 773-283-6296 or info@irvingparkfoodpantry.org.

VOLUNTEERS ARE NEEDED to help with various jobs! We're looking for people who are available on Wednesdays from 9 until 12:30 p.m. Please email volunteer@irvingparkfoodpantry.org or call 773-283-6296.

In March, the Pantry served 1,438 people in 501 households, including 107 new people in 39 households and 86 people in 27 households during our Tuesday night hours. The total is an increase from last year, when we served 1,402 people in 478 households in March.

Brenna Lyons from the Greater Chicago Food Depository explains its new Food Bank Manager intake system to (foreground) Office Manager Sandra Schwarzbeck and (back l-r) Leslie Frazier, Carol Schultz, Client Resources Elvia Esparza and Executive Director John Psiharis. The system, which went into effect in April, provides a faster and more in-depth database to track clients and ties into GCFD's database. It allows the Pantry to digitize its records and eliminate paper record keeping.

Our volunteers also helped seven people in seven households apply for SNAP benefits. Our Pet Food Corner gave pet food to 203 households for dogs, cats, birds and other small animals. With your help, we will continue to be "Neighbors Helping Neighbors!"
