Dear Neighbor,

WELCOME TO 2017. I'm sure for many of us, we are glad to see 2016 behind us. May 2017 bring healing, security, prosperity and comfort to everyone.

First, everyone save the date of Saturday, February 25, for the West Walker Winter Social, our annual "beat the winter blues" bacchanal! Location is yet to be determined, but we'll keep it close for all our neighborhood revelers.

Also, there are no more scheduled WWCA general meetings until March. Until then, stay warm, stay safe and read the weekly e-mail blasts for updated community information.

Finally, I would like to extend a greeting and hopes of a Happy New Year to all. The New Year is often a time of reflection as well as a time to imagine self-improvement and envision a better future and world.

Resolutions are often viewed as a once-a-year activity. But personal experience (as well as some research) shows that resolve isn't really influenced by the calendar. We should all strive to take the time to identify things that will make our lives, or the lives of those around us, a little better.

It doesn't have to be earth-shaking or life-changing. It doesn't have to start on January 1st. But when you find yourself saying, "Wouldn't it be nice if..." Take the time to see if there is some little thing you could do to nudge things in a better direction. Everyone sees things differently, and not everyone will act to make the same change. But a lot of people making many little improvements will make things better for everyone. I believe that one resolution that would benefit everyone would be: "Get involved and stay involved."

CAPS Report

Beats 1722 & 1723 Beat Meeting, December 21, 2016

Present: CAPS Sergeant Peter Kontil, CAPS Officer Marylane Parks, CAPS Officer Veronica Meraz

A gentleman spoke about new ownership of a bar in Mayfair. The owner of the bar/restaurant was expected, but did not attend.

Sgt. Kontil began the ‘old business’ portion of the meeting by asking if the neighbors who reported on a trouble building in the 4200 block of Ridgeway were present. Several residents were at the meeting. They reported that the tenants with the gang-affiliated son had moved out a week or two prior to the CAPS meeting. An order of protection was served on the son, and the parents moved shortly after. The order of protection was sought by a neighbor who was verbally threatened by the son. The neighbors reported that it was the actions of their fellow neighbors who called in sightings of the son and any illegal activity observed that got the tenants to leave. According to neighbors, “They knew they were being watched.”

Neighbors praised the actions of the police, who came out to the building, talked with neighbors, removed an abandoned vehicle and responded quickly to calls for service. Sgt. Kontil remarked that it is unusual that a situation resolves so quickly. He credited neighbors who worked together, with the help of CAPS, to ensure that their neighborhood didn’t become a haven for gang and criminal activity.

No other business in Beat 1723 was discussed. Holiday greetings were exchanged.

As always, call 911 to report suspicious activity or individuals in your neighborhood and provide detailed descriptions of the individuals and vehicles involved in any incident. Even if a neighbor has already reported the incident or activity, other neighbors should make separate calls. The police often look at the number of calls for service in determining the allocation of officers and resources with respect to a particular situation or incident.

CAPS meetings for our beat are currently held monthly at the 17th District Police Station, 4650 N. Pulaski, in the Community Room. Meetings begin at 7:30 p.m. on the third Wednesday of the month and typically last one hour.

Thank You to All Who Helped in 2016!

Alfreda Rommel shows off some of the hats she made for Pantry clients. They were given out during the Pantry's Holiday program.

The Irving Park Community Food Pantry thanks everyone in the West Walker community who contributed their time, money and effort to help make us a success this year in our efforts to be "Neighbors

Helping Neighbors." We appreciate everyone's efforts and look forward to working with you in the new year!

Thank you to everyone who participated in our holiday program, either through monetary or food donations or with donations of toys, clothing, books, games or stocking stuffers. A full report on the activities of the day will appear in February.

Thank you to Alfreda Rommel for creating two large bags of handmade hats, scarves and mittens that will be given to children during next week's Holiday distribution! Alfreda is a longtime board member of the Pantry and an active member of Mount Olive Evangelical Free Church. She and Roger Torback have been the lead organizers of the Mount Olive Community Canvas which over the years has collected tens of thousands of pounds of food and thousands of dollars for the Pantry during the Holidays!

Thank you to Jessie Schwartz of the BuildOn Program and all the students in the Schurz High School Food Science Lab for their donation of several big bags of basil from their hydroponic gardens at the school! Jessie dropped them off as our holiday program was beginning, and they were quickly distributed to lines and included with the distributions to our clients!

Thanks From Hands to Help Ministries

Hands to Help Ministries is grateful for all of our neighbors who supported us throughout this past year. 2016 was the first full year Hands to Help offered expanded staffing; with a part-time Executive Director in addition to our part-time Outreach Worker.

Your donations and partnership allowed us to reach over 100 neighbors on the brink of losing their homes and those living on the street. This help is particularly important during Chicago's winter season.

As the temperature dips below freezing, many of our neighbors living on the street do whatever they can to stay warm. Since there are few shelters with open beds, and none nearby, most have nowhere else to go. Many of you have contacted us with information on these neighbors. Hands to Help serves as many as we can.

Our service area covers neighbors living in the 60618 and 60641 zip codes. Hands to Help is creating a guide for neighbors, like you, who are reaching out to neighbors living on the street.

If you would like to receive a copy once it is completed, please contact us at hthexecdirector@gmail.com. In the meantime, please treat each neighbor with dignity and tell them about Hands to Help. All of us wish we could do more.

Hands to Help has exciting plans for the upcoming year. We are planning new events for neighbors to come together and strengthen our community. In addition to our community dinners and annual Trivia Night, we will be hosting a new event in February. We are also exploring how we can expand to serve the Jefferson Park community. Please watch your email and the Hands to Help website for more information. Also, stay connected via social media by liking us on Facebook (handstohelpministries) or following us on Twitter (HandstoHelpChgo).

In 2017, we will continue to increase the organization's visibility, collaborate with more local organizations and houses of worship, and expand the number of volunteers and members of our board of directors. There are many openings for all of you to participate, including one time and regular opportunities. For more information, please contact Gayle at hthexecdirector@gmail.com. Together we identify neighbors before they are evicted and work with neighbors living on the street. THANK YOU for your support and partnership! Here is to a great 2017!

Irving Park and Addison Blue Line Stations to Receive Public Art Displays

As the final stage part of the Your New Blue renovation program, the Chicago Transit Board awarded contracts to two renowned artists who will commission new public art for permanent display at the Irving Park and Addison Blue Line stations.

The CTA selected two artists from nearly 350 proposals submitted to the agency as a part of a Call for Artists that was issued in February 2016. For the Irving Park Blue Line, they have selected Chicago-based artist, curator, and educator Dan Devening. Internationally acclaimed Italian artist Francesco Simeti has been selected for the Addison Blue Line station.

Devening is currently an Adjunct Professor of Painting at the School of the Art Institute of Chicago. Since the mid 1980's, his paintings and works on paper have been featured nationally and internationally. Devening is also the Director of Devening Projects + Editions, a gallery project in East Garfield Park featuring exhibitions and site-specific installations by emerging and established international artists.

Simeti was born in Palermo, Italy and graduated in sculpture at the Academy of Fine Arts in Bologna. He currently lives and works in Brooklyn, NY. Among the most internationally acclaimed Italian artists, Simeti is currently engaged in a number of public art projects in the United States, including the Brooklyn subway stop in New York. He has also made site-specific installations in various museum spaces, including MARCO of Rome, the RISD Museum, Providence, Art & Idea Gallery in Mexico City, and Columbia University of New York.

The CTA will host public meetings with the selected artists to gather community input, which will assist the artists in their development of the site-specific artwork. Meeting details will be announced in the coming months.
