## Raise Funds for Summer Camp@IPLC Fat Tuesday, February 28

Join us on **Tuesday, February 28th, 5-7:30 pm** in the IPLC Gym at 4057 N. Harding (diagonally across from the church) for Swedish and regular pancakes, served with your choice of lingonberries, maple syrup or apple topping, along with sausages. Then take some sweets home with you by visiting the bake sale table. Together we will raise funds for our children's **Summer Camp@IPLC** (a program that's been known for years as Magic Mushroom, now continuing our outreach to children with a different name and restructuring). As it did last year, the camp will run the first four weeks August (July 31-August 25) with half and full day options, and will be co-directed by last year's leaders: Rachel Lockhart and Janeth Cordova. Both are also leaders at MAP, the after school program that meets in the IPLC gym. You can get more information about the summer camp and sign up for it at the Pancake Supper, or visit the Facebook page.

**Gentle Chair Yoga** moves to Thursdays in Victory Hall from 6:45-7:45 pm. (On the third Thursdays of the month the class meets from 6:30-7:30 pm.) This gentle class reduces focuses on mindfulness and meditation and can reduce stress and is good for beginners and anyone wanting a gentle practice. Taught by Janet Misbach, certified and registered hatha yoga teachers. Contact her for more information at [jgmisbach@gmail.com](mailto:jgmisbach@gmail.com).

## Hey Chicago: Bring Your Own Bag!

In an effort to reduce the number of disposable bags used in Chicago, the city is implementing a tax on one-time-use paper and plastic bags used to carry goods out of stores. Starting February 1st, businesses are collecting a \$0.07 tax on disposable paper and plastic bags. Here's the good news, you can avoid this tax entirely by simply bringing reusable bags to the store when you shop.

---

## Dispose of Pharmaceuticals Safely

If you have expired or unused medications in your home, dispose of them safely and responsibly using the city's pharmaceutical disposal drop-box program. Drop-off sites are open 24 hours a day and seven days a week. One drop box is located at the 17th District Police Station (4650 N. Pulaski Road). Find a full list of drop-off locations on the city's website.

## Hands to Help Announces Monthly Giving Program

Hands to Help Ministries is a nonprofit organization assisting an average of one hundred neighbors annually. We serve the Old Irving, Portage Park and West Walker communities, by providing case management and resources for neighbors on the brink of losing their homes and those living on the street.

We stop the cycle of homelessness by offering services and providing financial resources through our Neighbor Assistance Fund. Many neighbors live paycheck to paycheck without a rainy day fund. When they become responsible for unexpected expenses or their work hours fluctuate, they often do not have the savings they need to maintain their home. Without intervention these expenses, often less than \$500, can lead to homelessness. Once they become homeless the downward cycle builds often leading to unemployment and children missing school. Being able to stop the homelessness cycle before it starts is key to limiting the distress and trauma.

Hands to Help recently created a monthly giving program: **Neighbors Lift**, because housing is a monthly expense. Your generous monthly gift makes a huge impact on your neighbors. For example:

- \$15/month funds one day of travel costs for our outreach worker reaching neighbors experiencing homelessness on the Northwest side of Chicago.
- \$25/month funds one hour of case management helping neighbors maintain their homes including offering resources on employment and other essential social services, as well as help with budgeting.
- \$45/month expands our ability to help neighbors obtain and maintain their home by increasing the funds available through our Neighbor Assistance Fund.

Participating in Neighbors Lift is easy. Make your first payment on our secure website at [handstohelpministries.org](http://handstohelpministries.org). In the note section of your donation, ask to become a member of Neighbor Lift. Gayle, our Executive Director will email you the form for you to provide your credit card information and we will take care of the rest. After donating, share your decision on social media to encourage others to participate. The more neighbors participating the more we can help. For questions, contact [hthexecdiretor@gmail.com](mailto:hthexecdiretor@gmail.com). Thank you!

**SAVE THE DATE** for Hands to Help Ministries' Annual Trivia Event, to be held on Friday, April 28th at Filament Theatre. More information to come!

# CAPS Report

## Beats 1722 & 1723 Beat Meeting, January 18, 2017

**Present:** CAPS Sergeant Peter Kontil, CAPS Officer Marylane Parks, CAPS Officer Veronica Meraz, CAPS Officer Hamid (new to the CAPS office, formerly Beat 1722), Officer Lopez - Beat 1723, Officer Diaz - Beat 1723, Martha Hack, CAPS Facilitator and Gail Beitz, 39th Ward Office (Alderman Laurino)

Sgt. Kontil introduced Officer Lopez, who has returned to Beat 1723. Attendees at the meeting were happy to hear that she makes enforcement of stop sign stops and parking violations a priority. She will have a positive impact on speeders and stop sign scofflaws in the Beat!

Sgt. Kontil reported that a recent shooting in the 4100 block of Kedvale was related to a domestic disturbance.

Sgt. Kontil reported that there has been an increase in car thefts in the area. He reminds residents to always lock car doors and don't leave vehicles unattended at the gas station or convenience store. Thieves operating in rings are looking for easy targets, often to be used in other crimes.

A business owner in the 4200 block of Elston reported on problems with a neighboring business parking cars in the alley. Officer Lopez reported that she would ticket the vehicles that night.

As always, call 911 to report suspicious activity or individuals in your neighborhood and provide detailed descriptions of the individuals and vehicles involved in any incident. Even if a neighbor has already reported the incident or activity, other neighbors should make separate calls. The police often look at the number of calls for service in determining the allocation of officers and resources with respect to a particular situation or incident. CAPS meetings for our beat are currently held monthly at the 17th District Police Station, 4650 N. Pulaski, in the Community Room. Meetings begin at 7:30 p.m. on the third Wednesday of the month and typically last one hour. The next regularly scheduled meeting for Beat 1723 is Wednesday, February 15, 2017. If you or a neighbor have been the victim of a crime and you would like to share that information with your neighbors, e-mail the details to westwalkercrimealerts@gmail.com. The exact address of the crime and name of the victim will be kept anonymous. You can follow the 17th District CAPS office on Facebook by searching CAPS - 017th District Albany Park.

## News from Irving Park United Methodist Church

Irving Park United Methodist Church has been a worshipping and serving the community on the corner of Keeler and Grace since before the street was named Keeler. Exploring our history has helped us identify some of the DNA of our congregation, as well as the ways that our congregation has been involved with the community through the years.

Starting with the earliest years of the church, missions were really important. Irving Park Methodist Episcopal Church supported missionaries in several countries around the globe.

Welcoming children has always been important. They sent neighborhood children to summer camp, provided summer Vacation Bible School, and hosted Sunday school and midweek classes for children.

During World War II, a publication was sent from the congregation to soldiers with news from home. Church minutes show discussions with plans to welcome soldiers home with meals, special events and ways to help soldiers to adjust to returning home.

The 1960s were a time of racial tension. The congregation responded by inviting and warmly welcoming persons from a variety of ethnic traditions. Pictures of the congregation from that time show that African-Americans and those of Asian descent regularly worshipped with the predominantly white congregation.

In the 1970s, concern for food insecurity prompted Leila Duncan to carry bags of food on the bus to neighbors who didn't have enough to eat. She recruited her friends, and their efforts grew to become the Irving Park Community Food Pantry, now the third largest emergency food pantry in the city of Chicago and still housed in the church.

In the 1980s, another kind of welcome was planned as the church became one of the first Open and Reconciling congregations in Chicago. The congregation offered an invitation to persons whose sexual orientation differed from the heterosexual "norm". In 1986 the congregation publically affirmed that they welcomed all persons regardless of sexual orientation or gender identity.

These strands from our history run true to the present. We continue to welcome children and provide

# News From Irving Park Community Food Pantry

## Large FDC Grant Aids Pantry in 2017

The Irving Park Community Food Pantry is pleased to announce that the FDC Foundation has provided us with a grant of \$30,500. The money will fund our nutrition programs for clients and our Client Resources Coordinator position during the year. We are grateful to John Doyle, Susan Patke and the entire board of FDC for their continued support. Thanks also to volunteer Cathy Foster for preparing our proposal.

On December 21, the Pantry provided a holiday meal to 952 people in 262 households during our annual Holiday program. We also provided toys to 273 of our clients' children, as well as board games, stocking stuffers, and books. Thanks go to Sara Yoest and Debbie Fries for coordinating the collection of toys, setup and distribution.

Our donors contributed enough toys that we were able to provide 50 toys to the Magic After School Place program (run by Carlson Community Service), 28 to the IPUMC Hispanic Mission, three bags of toys to Shorewood Elementary School in Englewood and a box and bag to St. Viator for their holiday adopt-a-family program. All were appreciated!

Thank you to the many businesses that provided space for our drop-off boxes to help collect toys for our program. They included Alderman John Arena's Ward 45 office, Irving Park Lutheran Church, Josi's Frozen Yogurt, Old Irving Brewing Co., Pert Cleaners, Potbelly, St. John's Episcopal Church and Starbucks.

We also thank the many companies and organizations that ran food drives to add to our program. Thanks also to the students at Vaughn High School for donating blankets and to the buildOn program at Schurz High School's Food Science Lab for harvesting and donating bags of basil. We also appreciate the employees at Fossil who volunteered for the day.
