## Open House at Muslim Community Center Saturday, October 14

The Muslim Community Center of Chicago is hosting a Chicago-wide Open House at their mosque on Saturday, Oct. 14th from 10 am until 5 pm.

The Muslim Community Center of Chicago was established in 1969. It's one of the oldest and largest Muslim organizations in the Chicago area and it has a diverse membership, democratic leadership and three locations across the city.

The mosque was formerly the 1,300-seat Rivoli Theater. It screened movies for several decades before it was made into a ballroom and banquet hall. The Muslim Community Center moved into the building in the early 1980s and offers prayer services and many other programs. While much of the exterior has been covered over, the arch surrounding the main entry is original, as are many elegant decorative details in the main auditorium where prayer takes place.

Last year, at least 300 non-Muslims visited our mosque on Elston! Learn about the work of Chicago's oldest and largest Muslim community organization.

# Dear Neighbor,

I hope that everyone enjoyed our "September is the New August" weather.

I wanted to point out two new additions to the neighborhood which I encourage everyone to visit.

Opened over the summer, **Hearth & Crust** is located at 3608 W. Irving Park Road. Hearth & Crust is owned by the same people who brought you Buona Terra in Login Square. Hearth & Crust offers pizza, salads, entrees and more – including a full bar.

**The Picnic Basket**, located at 4102 N. Pulaski, opened in September. The Picnic Basket is backed by the owners of the The Cabin at Old Irving, with a shared décor and direct access. The Picnic Basket offers customizable Deli sandwiches and sides.

On the horizon, the Independence Tap at 3932 W. Irving Park recently approached Alderman Arena to explore plans to add live music and food service to the operation. These plans were presented to the neighborhood in a meeting on October 4, 2017, and additional permits will need to be approved in order for the Independence Tap's plans to move forward. If you weren't able to make the October 4 meeting and want to learn more, or want a refresher on the plans, please attend the WWCA General Meeting on October 17 at 7:00 pm at the Latvian Center.

## Should You Sell Your Home in the Fall?

Hi Neighbors,

In Chicago, most people think of selling their home in Spring or Summer. However, Fall can be equally appealing. Sales prices in our neighborhood are still strong. Mortgage rates are still low and buyers want to get settled in before the holidays. Here are a few tips when selling your home in the Fall.

1. Keep the grass mowed and leaves raked.
2. Clean your windows and turn up the lights so your home looks light & bright.
3. Keep the temperature in your home comfortable.
4. Add splashes of Fall colors throughout your home – oranges, golds, greens...
5. And in any season, declutter.

**If you're thinking of selling in the next 24 months, and want to get the highest sale price, please call me for a free home consultation.**

# CAPS Report

## Beats 1722 & 1723 Meeting, September 20, 2017

**Present:** 17th District Commander Elias Voulgaris, Sgt. with the undercover tactical unit, CAPS Officer Hamid, Alderman Margaret Laurino, Gail Beitz, 39th Ward Office (Alderman Laurino), Monica Trevino, 35th Ward Office (Alderman Ramirez-Rosa).

A larger than usual number of officers and Lieutenants attended the meeting, as well as Commander Voulgaris. Under previously reported issues, a resident inquired as to the status of reports of drug dealing in the alley between Pulaski and Harding at Berteau. A neighbor reported finding glassine bags and syringes in the alley near a trash can. The Commander reported that he had two undercover units looking into the issue and had visited the site himself that day. The Commander commended the resident for reporting it and for ensuring that Streets and Sanitation removed the drug paraphernalia. Another inquiry was made about gym shoes hanging from power wires in the alley behind the 3800 block of W. Berteau.

The Commander and Alderman Laurino presented a Certificate of Courage to a 39th Ward resident, his son and nephew for the apprehension of an offender who was arrested and charged with criminal sexual assault, burglary, theft and possession of burglary tools in an incident that occurred July 23rd in the 4600 block of Kildare. Everyone present at the meeting expressed their appreciation as well.

Commander Voulgaris took some time to talk about crime trends in the 17th district. He reported that overall, shootings, murders, shots fired and aggravated battery are all down compared with one year ago. Since his time in the district from 1986-1994, he believes gang activity is less. However, there's been a spike in burglaries over the summer. Garage burglaries are most prevalent as well as theft from autos and catalytic converter thefts. The Commander encouraged people to etch some identifying information on their catalytic converters so if they are recovered they can be returned and to lock up garage door openers in the glove box. He also warned that there are robbery crews operating east of the river, mostly after midnight, though they haven't shown up in the 17th.

The Commander spoke about the excellent relationship that the 17th District maintains with immigrant communities. He

## Attorney Fees Explained

by Audrey Cosgrove, Attorney

When potential new clients call to ask our fee they are either pleasantly surprised or appalled. The subject of attorney fees is completely shrouded in mystery. Part of the issue is that a random sampling of law firm websites reveals that exactly 0% put their fees on the website, including us. The other issue may be that since clients usually come to us because they have a delicate problem, it is safe to say they are not discussing their case with their friends, let alone the fees they paid their lawyer. Law, like most service professions, charge a fee based on the complexity of the issue, and every case is different, but it wouldn't hurt to know what you can expect.

Legal fees are charged in three ways: *contingent*, *hourly* or *flat rate*. Contingent fee means the attorney will get paid a percentage of what you win or settle for in the case. This fee arrangement is most often used in personal injury matters and other litigation where the plaintiff is seeking an award, like a class-action law suit. A lawyer cannot accept a contingency fee in a criminal or domestic relations case. It comes as a surprise to some people that no lawyer is going to take a case on a contingency where little or no money is at issue. *Ahem, lawyers don't work for free.* However, if you locate an attorney who is looking for experience they make take a case under these circumstances.

Hourly rates are charged in most legal cases but especially where you are the defendant in a civil case, domestic relations, bankruptcy and business litigation. What you should confirm is what the firm charges per hour and in what increments. For example, if they bill in 15-minute increments, and charge \$250 an hour, that 2 minute phone call will cost you \$62.50. There is no limit to how much a case may end up costing. And you will always pay a retainer up-front to cover the attorney starting the work on the case.

Flat fees are used most often for real estate transactions, criminal, traffic and estate planning. Whether the attorney spends 10 minutes or 10 hours on your case the fee will be the same, which is great for budgeting. You should confirm with the attorney what the flat rate includes, and more importantly - what it *does not* include. For example, the real estate attorney may charge you a lower rate for a closing but will not review your condo documents for that price, where a higher-priced attorney will do the document review.

# News From Irving Park Community Food Pantry

By Craig Shutt

## Pantry Seeks Coat Donations

The Irving Park Community Food Pantry is distributing winter coats to clients this month and is still accepting donations. Please check your closets for any gently used coats that you can do without and bring them to the Pantry.

Donations can be left at the bottom of the stairs at the Grace Street entrance at the Irving Park United Methodist Church or delivered on Wednesday mornings during Pantry operating hours (8:30 to noon) and on Tuesday October 9th (6 to 7:30 p.m.). Additional drop-off points include Disney II Magnet Elementary School (3815 N. Kedvale), Old Irving Brewing (4419 W. Montrose Ave.), and the Linnemeyer front porch (3822 N. Tripp Ave.). All sizes of coats, especially those for men, are needed.

The Pantry was selected to receive a \$1,000 donation from Jewel/Osco in celebration of the Six Corners store's grand reopening. We appreciate all of Jewel's support on a weekly basis, which includes a variety of grocery items.

The Pantry is participating in a promotional effort with AT&T to pass out information about the company's new low-cost broadband service available to SNAP recipients. AT&T also has made a \$2,500 donation to the Pantry.

Thank you to Marla Cueva, Andrea Guthman, Christine Lee, Renee Linnemeyer and Kitty Tataryn for handling our weekly school-supply distribution to clients' children during August. Thanks also to everyone who donated money, supplies and time to help more than 250 neighborhood children start the year right!

The Pantry's program of health screenings and blood-pressure readings, along with information for clients, expanded in September to include health classes. The programs continue all fall. The programs are conducted in cooperation with Presence Resurrection Medical Group, Advocate Lutheran General Hospital and the American Heart Association.

Volunteers from the Pantry will be staffing a booth at the last GIPNA Farmers Markets of the year on October 8th and 22nd. They will answer questions and accept donations. You also can sign up to receive our Breadcrumbs e-mail newsletter. We appreciate all your support in ensuring we live up to our motto of being "Neighbors Helping Neighbors!"

## CICS-Irving Park School

CICS Irving Park kicked off the 2017-18 school year with a newly-appointed school director: Mr. J.W. Kuebler, who steps into this role as the outgoing director, Karin Breo, takes on a larger leadership role as the Director of Community Partnerships and Engagement for Distinctive Schools. Together, Ms. Breo and Mr. Kuebler have built an amazing school where last year, 21 8th graders were accepted to Selective Enrollment high schools, and another 17 were accepted to International Baccalaureate and Scholars Programs.

A large majority of the student body participated in a \$2 dress-down day to raise money and awareness for hurricane victims. In fact, three very determined sisters Amanda, (6th grade) Arianna (5th grade), and Miley (kindergarten) created an ice cream sundae stand on their front lawn, and, over the course of two days, raised over \$120, which they donated to the CICS Irving Park Hurricane Relief Fund. All told, the school raised \$850 towards this effort! Keep up with CICS Irving Park on Facebook @CICSIRVINGPARK or at [cicsirvingpark.org](http://cicsirvingpark.org).

## Belding School

Join the Belding community at an after school Fun Fair to celebrate the joy of fall on October 28 from 4-6 pm. A DJ will spin current hits while children dressed in costumes play games for prizes and run a bouncy house obstacle course. The evening will culminate with the annual flash mob Thriller dance by our eighth grade zombies!

Belding School has earned Level 1+ rating with the CPS rating policy. Our students meet or exceed national norms in reading by 87% and math by 71%. Are you curious to see what Belding Elementary has to offer? Upcoming tour dates include: October 17, November 21, December 19, and January 16. Tours begin at 8:00 a.m. in the school office.

## St. Edward School

In line with this year's theme, "We are one Body," each classroom created a puzzle, showing that we are all connected. St. Edward School has acted upon this theme by donating towards the Archdiocese special collection for Hurricane Harvey victims. Our community continues to think about all hurricane, flooding, and earthquake victims.

**Tour Tuesday is Tuesday, November 14** from 9-10:30 am! Potential St. Edward students and families are welcome to tour and learn about St. Edward School at 4343 W. Sunnyside. For more information on the School call 773-736-9133, or visit [www.stedwardschool.com](http://www.stedwardschool.com).

reminded everyone that officers are prohibited by municipal code from asking about immigration status.

In new issues, a question was raised about drug dealing in the alley between Monticello and Central Park in the 4100 block. The resident was advised to call 911 when drug dealing was observed, as well as getting neighbors to call.

As always, call 911 to report suspicious activity or individuals in your neighborhood and provide detailed descriptions of the individuals and vehicles involved in any incident. Even if a neighbor has already reported the incident or activity, other neighbors should make separate calls. The police often look at the number of calls for service in determining the allocation of officers and resources with respect to a particular situation or incident. CAPS meetings for our beat are currently held monthly

at the 17th District Police Station, 4650 N. Pulaski, in the Community Room. Meetings begin at 7:30 p.m. on the third Wednesday of the month and typically last one hour. The next regularly scheduled meeting for Beat 1723 is Wednesday, October 18th, 2017. If you or a neighbor have been the victim of a crime and you would like to share that information with your neighbors, e-mail the details to westwalkercrimealerts@gmail.com. The exact address of the crime and name of the victim will be kept anonymous.

You can reach the 17th District CAPS office by phone: 312-742-4588, or email: CAPS.017district@chicagopolice.org. Follow them on Twitter: @ChicagoCAPS17 or Facebook: www.facebook.com/CAPS.017. Event Calendar: http://home.chicagopolice.org
