Final Independence Park Farmers Markets are October 14th and 28th

Along with our favorite Farmers, delicious coffee and pastries, hot tamales, crepes and one-of-a-kind artisanal product vendors, we will have some special events including our first neighborhood Plant Swap.

GIPNA's first a Plant/Seed Swap will take place during the October 14th Independence Park Farmers Market. A plant swap, similar to a book swap, brings together folks to trade garden plants and seeds. Please bring a pest-free labeled plant/split/cutting (or several!) or a labeled Ziploc bag of seeds that you are willing to part with. If you have too much of something (hostas and lilies are classic examples) and you would like to donate or swap, bring them to market on Sunday, October 14th. The market takes place from 9:00 am until 1:00 pm.

You've Got Red on You: A Parody Musical Comedy Opens October 11th

The creators of the award-winning Musical of the Living Dead (Best Musical Chicago Reader's Poll 2012), return to their zombie roots with this musical parody of the classic film Shaun of the Dead, directed with Book & Lyrics by Marc Lewallen and Brad Younts, with music by Joe Eigenbrot.

Chief O'Neil's Irish Pub transforms into the famous Winchester, the local pub where Shaun spends most of his nights as he coasts through life. Those in attendance will find themselves in the middle of the action as Shaun recounts the events of one ill-fated night.

Join Shaun, flat mate Ed, girlfriend Liz, devoted Mum Barbra, (Not-My Dad) Phillip, and the rest of the gang, as they sing, dance, and fight while the zombie doomsday unfolds.

You've Got Red on You is another bloody imaginative production featuring amazing original music, hysterical jokes, and over-the-top special effects.

Those intrepid souls who plan to sit in the front row should be ready to be part of the Splatter Zone, as the stage's invisible fourth wall may prove porous to blood and flying bits of brain. Recommended for ages 14 and up. Shows are produced by The Cowardly Scarecrow Theatre Company, Inc., and presented at Chief O'Neil's Irish Pub, 3471 N. Elston in Chicago. Sunday Adult Bible Study: This fall the Adult Bible Study at Irving Park Lutheran Church is discussing and encouraging the entire congregation to read *Sacred Signposts: Words, Water and Other Acts of Resistance* by Benjamin Dueholm. Dueholm is a Lutheran Pastor in Wauconda, IL, and will join us on **Sunday, October 21 for Q & A in the Chapel from 9:15-10:15 am** and then will preach during worship. Copies of the book are available for \$10, stop by the Chapel or the back of church. In the book Dueholm unpacks Christianity's seven "holy possessions" and offers a visionary account of the critical, radical, life-affirming role that faith can play in a secular, post-Christian world. "These Christian practices," writes Dueholm, "represent and enact a different vision of what it means to be good, or even to be human, from the ones offered by our prominent political and economic ideologies. Christians have names for this different vision. We call it 'the Kingdom of God' or 'the beloved community.' And it is realized, in ways that are small and fleeting but also urgent and poignant, every time we gather around our holy possessions."

CAPS Report

Beats 1722 & 1723 Meeting September 19, 2018

Thank you to Dorie Westmeyer for taking notes at the September meeting.

Attendees: 30 neighbors, 11 police officers, Ald. Rosa's Chief of Staff

Meeting started out with Chandra Libby from the Dept. of Human Services (312-746-5443). Chandra spoke regarding Louie Range and the process they follow with homeless people. If a homeless person is in a pedestrian way her staff (has 2 teams, 5 staff) will go and talk with the homeless person and try to help them with placement, resources, apply for benefits. They will also post a notice that the Dept. of Streets and Sanitation will be coming to remove property. They will visit him weekly for a month. If he is not willing to move then they can't do anything further. Dept. of Streets & San will remove property, clean area. She said it is not illegal for a homeless person to stretch out on public property. But it is illegal if they are impeding the pedestrian way.

A number of arrests have been made in the 17th district for crimes ranging from strong armed robbery, serial armed robbery and drugs and possession of a weapon.

Five incidents in the area around Central Park & Sunnyside involving shootings or shots fired were discussed. (All outside of the West Walker boundaries.) Police stated they are focusing on three areas in the district and the involvement of three different gang territories.

The Third Watch Lieutenant spoke about 17th District resources and strategies to reduce gun crimes. For the last three months, officers have not been pulled to other districts. They must remain in 17. There is a rapid response car as well as TAC teams (undercover), bicycle cops and a sector Sergeant who floats. Lieutenant stated that CAPS officers canvas the neighbors for information when there are reports of shots fired. Residents reported never being asked about shootings when they've reported shots fired.

Officers stated that there are no more shootings this year than prior years. One obstacle to solving gang-related crimes is that gang members don't cooperate with police.

45th Ward Report

Vote in the 2019 Participatory Budgeting Cycle

45th Ward residents aged 14 and older can vote online or in person for the 2019 participatory budgeting cycle. Participatory budgeting is a democratic system that empowers people in determining how their tax dollars are spent.

For those wishing to vote online, simply fill out an online registration form by visiting bit.ly/PBVote2019. My staff will respond with the voting site link and a special access code that will allow you to vote. Please do not share your code with anyone else; your code is unique and may be used only once. Please note that this is not an automated system; rather, office employees will be verifying the information. This may result in a delay from the time you submit the registration form to when you receive the one-time code.

Additionally, there will be ample opportunity for 45th Ward residents to vote in the 2019 participatory budgeting cycle. Those wishing to vote early in-person can do so at my office during office hours at 9 am or at one of the following early voting events:

- 9 am – 1 pm on Sunday, October 14 at the Independence Park Farmers Market, 3945 N. Springfield;
- 9:30 am – 1:30 pm on Sunday, October 14 at the Jefferson Park Sunday Market, 4822 N. Long; and
- 10 am – 1 pm on Tuesday, October 16 at the Copernicus Center, 5216 W. Lawrence. Ward residents will also have the opportunity to receive a free flu shot at this event.

The final voting event will take place from: 10 am – 2 pm on Saturday, October 20 at the Jefferson Park Branch Library, 5363 W. Lawrence

Before casting your vote, you can review what items will be on the ballot by visiting pb45.org/2019-ballot-items. Thank you for your participation in creating a transparent and democratic process to determine how to spend your tax dollars in your community.

St. John's Free Concert Series Begins October 12

St. John's presents: A Chamber Music Concert by music803 on **Friday, October 12, at 7:30 pm.**

Welcome back **music803**, members of Chicago Symphony Orchestra joined by our own Mio Nakamura, as they return to St. John's to perform a free evening concert of special chamber master works including Ernest Chausson's Piano Quartet in A major, Opus 30, as well as Josef Labor's "hidden" Piano Quintet in e minor, Opus 3. Music803 is: Gary Stucka, cello; Rachel Goldstein, violin; Stephen Lester, bass; Wei-ting Kuo, viola and Mio Nakamura, piano.

The Volo Bogtrotters perform Sunday, October 21 at 3:00 pm.

The Volo Bogtrotters have been a Midwestern favorite since their first gig at the actual Volo Bog in Lake County, Illinois in 1985. Their music is inspired by the classic string band sounds that appeared on 1920s phonograph records, as well as by the square dance tunes played by the master country fiddlers they sought out in small Midwestern towns during the last decades of the 20th century. The band is fronted by fiddlers Lynn "Chirps" Smith, Fred Campeau and Paul Tyler (the latter two drag along a few other instruments) and also includes Steve Rosen

on banjo, Jim Nelson on guitar, and Tony Scarimbolo on bass. Free and open to the public. St.

John's Episcopal Church is located at 3857 N. Kostner. Visit www.stjohnschicago.com or call 773-725-9026.

Magic After-School Place

Magic After-School Place students and staff are excited for another school year!

Carlson Community Services' after-school program is in its 12th year of providing high quality, affordable after-school care for children attending Murphy and Belding Schools. This year, the Magic After-School Place (MAP) has enrolled 55

children. With a tiered tuition structure based on income, MAP is a valuable partner for working, low-income families who need a safe place for their children to after school. Equally important, children receive homework help and tutoring, gain leadership skills and participate in a mentoring program with high school students from Schurz High School and others. Affordable tuition is made possible by foundation and corporate support, individual gifts and fundraising events.

Program space is generously donated by Irving Park Lutheran Church, helping us do this important work in our community. MAP welcomes high school students in need of service hours and adult volunteers. For more information, contact Rachel Lockhart at mapdirector@carlsoncommunityservices.org.

Pantry Seeks Coats!

The Irving Park Community Food Pantry is distributing winter coats to its clients this month (one per household) and is accepting donations throughout the month. Please check your closets for any gently used coats that you can do without and bring them to the Pantry.

Donations can be left

at the bottom of the stairs at the Grace Street entrance at the Irving Park United Methodist Church during church operating hours or delivered on Wednesday mornings during Pantry operating hours (8:30 to noon) and on Tuesday October 9th (6 to 7:30 pm). Additional drop-off points include Disney II Magnet Elementary School (3815 N. Kedvale), Old Irving Brewing (4419 W. Montrose), and the Linnemeyer front porch (3822 N. Tripp). All sizes of coats, especially those for men, are needed.

Thank you to the neighborhood volunteers (Betsy Minor and granddaughter, Sarah Lee and kids, Audra and Drew Nelson and kids, Andrea Picard and kids, and Christine Lee and kids) who organized and distributed bags of school supplies to our clients for their children in kindergarten through 8th grade. They gave out more than 225 bags. Special thanks to Renee Linnemeyer and Old Irving Brewery for providing drop-off points. We appreciate everyone who made donations to help students in our community start the school year strong!

Thank you to everyone who shops at Amazon and uses the Amazon Smile program to designate donations to the Pantry! The Pantry gets 0.5% of each purchase, which adds up. We just received a check for the quarter ending in June for \$39! Please keep us in mind as you shop at the site, especially with Christmas coming (it is!).

Volunteers from the Pantry will be staffing a booth at the last GIPNA Farmers Market of the year on October 28th. They will answer questions and sell merch (for a

They visited a digital media class where students produced 30-second video clips promoting local businesses. These professional-quality clips are then used by the businesses in their promotional materials. Also visited were the pre-engineering and auto-tech programs. Last on the tour was Schurz's makerspace, the result of winning a \$20,000 grant from the U.S. Department of Education in the "CTE Makeover Challenge." On September 19, Schurz was one of seven Illinois schools to be part of ACTE and Illinois ACTE three-day Media Tour. Their mission is to provide educational leadership in developing a competitive workforce.

Many programs use the makerspace, including the entrepreneurship program. In a particularly innovative model, the school hires the entrepreneurship students to use the makerspace to produce the school's gym uniforms, which have cut costs in half. The students also exercise their collaboration skills by working with digital media students to design the uniforms. Other items for sale at the school are also manufactured in the makerspace. Schurz has used its resources wisely and pursued new and innovative opportunities for student growth.
