# Dear Neighbor,

WELCOME TO 2019! I'm sure for many of us, we are glad to see 2018 behind us. May 2019 bring healing, security, prosperity and comfort to everyone.

First, save the date of Saturday, February 23, 2019 for the West Walker Winter Social, our annual "beat the winter blues" bacchanal! Location is yet to be determined, but we'll keep it close for all our neighborhood revelers.

Also, there are no more scheduled WWCA general meetings until March. Until then, stay warm, stay safe and read the weekly e-mail blasts for updated community information.

Finally, I would like to extend a greeting and hopes of a Happy New Year to all. The New Year is often a time of reflection as well as a time to imagine self-improvement and envision a better future and world.

Resolutions are often viewed as a once-a-year activity. But personal experience (as well as some research) shows that resolve isn't really influenced by the calendar. We should all strive to take the time to identify things that will make our lives, or the lives of those around us, a little better. It doesn't have to be earth-shaking or life-changing. It doesn't have to start on January 1st. But when you find yourself saying, "Wouldn't it be nice if..." Take the time to see if there is some little thing you could do to nudge things in a better direction. Everyone sees things differently, and not everyone will act to make the same change. But a lot of people making many little improvements will make things better for everyone. Whatever your Politics, I believe that one resolution that would benefit everyone would be: "Get involved and stay involved."

**An Odd Couple, Jonah & Ruth: Lessons for our Fractured World.** Sunday Bible Study at IPLC Beginning January 6 through February 24 our topic is "An Odd Couple, Jonah & Ruth: Lessons for our Fractured World." The book of Jonah uses the character of an outrageous excuse of a prophet to show the leaders and people of Judah just how foolish they looked with their insistence on isolationism and the exclusion of "the other." It asks the question, "If God loves the outsider, shouldn't we?" The book of Ruth is an idealized story of what life would look like if God's people treated each other with his loving-kindness—insiders and outsiders alike. A key understanding in Ruth is that God uses these acts of the loving-kindness of people to demonstrate that which God gives to all, whether they realize it or not. Join us as we delve into these two treasures of the Old Testament, Sunday mornings from 9:15 – 10:15 am in the Chapel.

*Your Neighborhood Realtor!*

### What Can We Expect in 2019?

Happy New Year neighbors. Here's what economists are forecasting.

1. **Chicago price projections are mixed** – Realtor.com projects a 1.9% decrease. Zillow projects a 6.1% increase.
2. **Market time will increase** – It may take longer to sell your home.
3. **Mortgage rates could rise to 5.5%** – A \$300,000 loan could cost an extra \$180 month.
4. **45% of home buyers will be Millennials (22-37 years old)** – 37% will be Gen Xers (38-53 years old). And 17% will be Baby Boomers (54-72 years old).
5. **New construction homes will be more competitively priced.** However volume of new construction homes will decrease as land and construction costs are increasing.

*Sources: KCM, Realtor.com, Zillow*

So what does it all mean? We are moving to a new normal. Home prices will stay strong but we are moving slightly toward a buyer versus seller market. Sellers need to price their home competitively or it may sit on the market.

# CAPS Report

## Beats 1722 & 1723 Meeting December 19, 2018

**Attendees:** Commander Pontecore, CAPS officers Hamid and Zander, Captain Hoffman, 2 Beat Officers, Gail Beitz, 39th Ward, Scott, 35th Ward Superintendent

Commander Susan Moss has been transferred to Area Central and the 17th District has a new leader, Commander Ronald Pontecore, Jr. He was most recently the commander of the 8th District (Chicago Lawn). Pontecore is a 27-year veteran of the Chicago Police Department.

The meeting began with a somber reminder of the recent deaths of two officers killed on duty when they were struck by a Metra train.

Officer Zander gave a report on recent arrests, including an arrest of four people for auto theft. In 60% of car thefts, the auto is running with no one inside. The Commander warned that police will start ticketing cars that are warming up, unoccupied. The Tactical Team made 3 gun arrests last month. The officers reminded

residents that if they are making a Craigslist or Facebook purchase or sale, make sure they are doing it in a safe place. The police station is one option.

A resident asked what a Shot Spotter is and whether the 17th District has one. According to the Commander, a Shot Spotter picks up the audio of gunfire and sends it to California where the exact location of the shot is dispatched to the appropriate district. This technology is not currently in use in the 17th District, but CPD is talking about using it in more districts.

A resident asked about a recent shooting in the 3700 block of Montrose. There was a suspected robbery gone wrong that resulted in a shooting in the alley between Ridgeway and Lawndale, just south of Montrose. The Commander had visited that site earlier in the day and there are plans to place a pod camera in that area to monitor suspected gang activity.

Officer Zander warned of a “Gypsy Ruse” being used to gain access to the homes of senior citizens, which are then robbed. The criminals pose as city or utility workers or construction workers who claim to have materials left over from a recently completed job and want to

She took the initiative to do extensive research on both neighborhoods, post ads for both the sale and my search for a new house, and provide critical guidance on the process & price negotiations. ## Recycle Your Christmas Tree Jan. 5 - Jan. 19

Beginning Saturday, Jan. 6 and continuing through Saturday, Jan. 19, Chicago residents can begin to recycle their Christmas tree at any of the city's 25 locations.

The city has once again partnered with the Chicago Park District to provide residents with this free service. Trees can be dropped off anytime during normal business hours. Free mulch will also be available on a first come, first served basis starting Jan. 7 at Lincoln Park, Margate Park, Mt. Greenwood Park, North Park Village, Warren Park, and the Forestry Site.

The closest recycling locations for 45th Ward residents are at Norwood Park, 5801 N. Natoma, and Portage Park, 4100 N. Long.

Only live/natural trees free of flocking will be accepted (this means no garland or wreaths). All trees must have any tinsel, ornaments, lights, and strands removed in order to be recycled. Any plastic bags used to transport the tree to a drop off location must also be removed.

A map of all drop off locations is available to view on my website at <http://ward45.org/2019-christmas-tree-recycling/>.

### Irving Park Fine Arts Committee Presents Horn and Organ Recital

The Irving Park Fine Arts Committee will present a free concert featuring Mary Jo Neher, horn and Joseph Burgio, organ on Sunday, February 17th at 2:00 p.m. In a unique pairing of horn and organ, Neher and Burgio's program will include the Corelli Sonata in G Minor, Saint Saens' Adagio and Andante as well as music for solo organ and unaccompanied horn.

Mary Jo Neher was born and raised in Anchorage, Alaska and left the last frontier after high school to pursue her love of music. While working on her Bachelor of Music in Boston, Mary Jo had the pleasure of performing with the Boston Philharmonic, Masterworks Chorale, and the New Bedford Symphony. Since moving to Chicago in 1999 she has been an active freelance and chamber musician, performing in the Chicagoland area with Ars Viva!, Lake Forest Symphony, Elgin Symphony, Music Theater Works (formerly Light Opera Works), Chicago Arts Orchestra, Illinois Philharmonic, New Philharmonic, Chicago Philharmonic, Midwest Mozart Festival and the Chicago Sinfonietta. Mary Jo has performed in Miami, Florida with the New World Symphony Orchestra and has toured across Japan with the Pacific Music Festival where she worked with Academy Award winning composer, Tan Dun. She has performed for Fine Arts audiences as part of Uber Horn Quartet and the Polykrome Brass Ensemble.

Joseph Burgio earned a Bachelor of Science in music education and organ at Nazareth College and a Master of Arts in pastoral music, awarded jointly by Colgate-Rochester Divinity School and the Eastman School of Music. He has performed in both the Summer Sunday and Advent Vesper series at Chicago's Holy Name Cathedral, and presented workshops for the Hymn Society, which named him a Lovelace Scholar. He has served in music ministry in parishes in Syracuse, Norfolk and Chicago.

The Magic After-School Place celebrated the holidays with a gingerbread contest and talent show. Pictured are the winning gingerbread architect and his tower and the boys demonstrating their break dance skills.

The concert will be held at Irving Park Lutheran Church, 4100 N. Harding Ave. Admission to the concert is free of charge, although donations are gladly welcomed. A reception with the artists follows the concert, hosted by the Fine Arts Committee. The concerts are relaxed and casual, lasting about one hour. Perfect for families!

The final concert of the 2018/2019 season will be held on Sunday, March 24th at 2:00 pm and will feature John Ling and his mariachi orchestra. For more information, contact Liz Mills at 773.398.6766.

Coordinators Debby Fries (front row second from left) and Sara Yoest (in Pantry t-shirt) prepare volunteers to help clients in the toy room during the Pantry's holiday program in December.

## Pantry Holiday Program a Success!

The Irving Park Community Food Pantry would like to thank everyone—volunteers, donors community organizations and businesses—who helped make our holiday program on December 19th a big success!

We provided a holiday meal to more than 250 families (about 950 people in the 60641 and western half of 60618 ZIP codes) along with toys, books and stocking stuffers for their kids. In all, more than 250 toys were given to 116 families along with countless stocking stuffers, books and hats/gloves and blankets.

Due to the community's generosity, after the program we were able to donate 57 toys to the Magic After-School program run by Carlson Community Services, three bags of toys to the Jesse Sherwood Elementary School in Englewood (288 students, 99% low income) and two bags of toys plus stocking stuffers to Lydia Home.

In all, donations allowed us to distribute more than 700 toys, games, books and articles of clothing to people in our neighborhood this holiday season! Special thanks to Sara Yoest and Debby Fries for their hard work in collecting toys and running the toy room.

Thank you to St. Edward High School (4343 W Sunnyside Ave) for running a food drive for the Pantry in December that brought in several carloads of food. They gave points for donations, with extra points for those items we are in special need of for our holiday program.

Thanks also to the group from VSA Partners who volunteered at the Pantry for our final regular distribution of the year on December 14th. They performed a variety of duties and kept things moving during our last regular distribution of the year, which was one of our busiest of the year with more than 140 families served.

The results of a food drive by St. Edwards High School were delivered to the Pantry in December by Fr. Dominiz Clemente (right) and staff members (l-r) Barbara Carabio, Caitlin Summon and Ken Karbowiak.

We appreciate everyone in the West Walker neighborhood who supports our efforts and helps us to meet our mission of being "Neighbors Helping Neighbors."

Volunteers from VSA Partners worked a variety of stations during their visit to the Pantry in December.

The Commander took some time to spell out his priorities for the 17th District. He has created a new District Level Strategy which prioritizes areas of concentrated crime with a dedicated Tactical Team. The current area is Cullom to Ainslie, Hamlin to Spaulding. When crime decreases, the boundaries will change. The commander has made changes in the Tac Team leadership and is making greater use of officers on bikes. "I'm going to make the 17th District a safer place than it was when I got here," he said. There will be more arrests and more traffic stops.

The CAPS officers encouraged residents to participate in the Court Advocacy program. Also, they are looking for a Beat Facilitator for Beats 1722 and 1723. For more information about either, contact the CAPS office at the contact info below.

Call 911 to report suspicious activity or individuals in your neighborhood and provide detailed descriptions of the individuals and vehicles involved in any incident. Even if a neighbor has already reported the incident or

activity, other neighbors should make separate calls. The police often look at the number of calls for service in determining the allocation of officers and resources with respect to a particular situation or incident. CAPS meetings for our beat are currently held monthly at the 17th District Police Station, 4650 N. Pulaski, in the Community Room. Meetings are held on the third Wednesday of the month and typically last one hour. The next regularly scheduled meeting for Beat 1723 is Wednesday, January 16, 2019 at 7:00 p.m. If you or a neighbor have been the victim of a crime and you would like to share that information with your neighbors, e-mail the details to westwalkercrimealerts@gmail.com.
