# Dear Neighbor,

WELCOME TO 2020! It seems like it was yesterday that we were bringing in the New Millennium. The last 20 years have brought changes, large and small, to our lives, our community, our society, and our recognition of the enormous challenges and opportunities of our times. For every instance of divide there has been another of unity. Many feel that we have become more divided, and yet we have found room to encourage and support each other in ways that were unthinkable 20 years ago. Many of us have seen families grow, friends depart, and loved ones pass on who will always remember. Change is inevitable, but change to the better is always a challenge.

I have drawn immense pleasure and satisfaction from seeing my friends and neighbors prosper, their children grow, and the neighborhood strive to support all who live here. I do approach the next year with some trepidation, acknowledging the political and cultural divisiveness which has, in part, become the norm.

However, I also see a burgeoning enthusiasm on the part of the “younger generation” who have taken the tasks of social justice, environmental issues, and political divisiveness head-on. In my view, they will be clear-eyed on these and many other issues. Although this may be overly optimistic, it is the only way forward and I can only hope that they will work out the problems that have confounded us and so many others over the years.

God bless you and have a wonderful decade.

## News From Irving Park Lutheran Church

**January & February Sunday Adult Study & Guest Speaker** *The Challenge of Diversity* by David Rhoads argues that the present diversity in the church reflects a rich variety that was integral to the early Christian movement from its very beginnings. Dr. Rhoads, who is now an emeritus professor of New Testament at the Lutheran School of Theology in Chicago, shows how Galatians, Mark, Matthew, Luke and John each present a fundamentally different understanding of the human condition, a different vision for life under God, and a different portrayal of our transformation.

The Adult study meets Sundays from 9:16-10:15 am in the Chapel and this session runs from January 5 and runs through February. Also during this time period, we will have a featured guest speaker, the Rev. Rafael Malpica Padilla, Executive Director of Global Mission for the ELCA. Rev. Padilla will be here on Sunday, January 12, to discuss the diversity of Lutheran congregations and worship traditions.

**Celebrate African American Heritage in Worship** For the month of February (Black History Month), Irving Park Lutheran Church will focus on racial justice and celebrate African American Heritage with special prayers, music, and other elements of worship. Thanks to Praise Coordinator Dee Kimpel for all she does to coordinate this. We give thanks to God for brothers and sisters in faith of African American heritage, and continue to work to be the church for all races and nations, following the call of Jesus.

**Feast Today! Fast Tomorrow!** Join us for our Annual Pancake Supper and Bake Sale on Tuesday, February 25th, from 5 - 7:30 pm in the IPLC Gym (corner of Harding and Belle Plaine). There will be Swedish pancakes, regular pancakes, sausage, lingonberries, apples, and orange juice for all! Then treat yourself to the bake sale table after dinner! Admission is \$10 per adult and \$5 per child 12 and under. Feast and fellowship before Lent's time of prayer and reflection.

Irving Park Lutheran Church is located at 3938 W. Belle Plaine. For more information visit [iplc.org](http://iplc.org) or call 773-267-1666.

## REAL ESTATE NEWS

By Dorie Westmeyer  
Realtor®, MBA, ADPR

*Your Neighborhood Realtor!*

### What Can We Expect in 2020?

Happy New Year neighbors! Here are a few predictions for Chicago real estate this year.

- 1. Chicago price projections are flat.** Realtor.com and Zillow project a 0.3% decrease in prices. However, demand will vary by neighborhood and some areas will still see bidding wars.
- 2. Shift from suburban to urban** Geoff Smith with De Paul University says we will continue to see a drop off in demand for suburban and increase in demand for urban homes.
- 3. Mortgage rates will remain low.** Interest rates are expected to stay around 3.85%.
- 4. Americans will continue to stay in their homes longer.** The typical homeowner stays in their home 13 years up from 8 years in 2010.
- 5. Sellers will need to be more patient.** Homes will need to be priced right as the time on the market to sell could be longer; particularly in upper tier price points.

*Sources: Crains, Realtor.com, Redfin*

So what does it all mean? We are moving to a new normal. Home prices will stay strong but we will see less price appreciation. Sellers need to price their home competitively or it may sit on the market.

**If you are thinking of selling in the next 24 months, and want to get the highest sale price, please call me for a free home consultation.**

# CAPS Report

## Beats 1722 & 1723

### No December Meeting

Due to the holidays, there was no CAPS meeting held in December.

Call 911 to report suspicious activity or individuals in your neighborhood and provide detailed descriptions of the individuals and vehicles involved in any incident. Even if a neighbor has already reported the incident or activity, other neighbors should make separate calls. The police often look at the number of calls for service in determining the allocation of officers and resources with respect to a particular situation or incident. CAPS meetings for our beat are currently held monthly at the 17th District Police Station, 4650 N. Pulaski, in the Community Room. Meetings are held on the third Wednesday of the month and typically last one hour. The next regularly scheduled meeting for Beat 1723 is Wednesday, January 15, 2020 at 7:00 p.m. If you or a neighbor have been the victim of a crime and you would

like to share that information with your neighbors, e-mail the details to [westwalkercrimealerts@gmail.com](mailto:westwalkercrimealerts@gmail.com). The exact address of the crime and name of the victim will be kept anonymous.

Here's how to reach or follow the 17th District CAPS office.

# News From Irving Park Community Food Pantry

By Craig Shutt

## Pantry's Holiday Program a Success

Thank you to everyone who helped make the Pantry's first Holiday program in our new home a big success! We gave the fixings for a holiday meal to 190 households with about 670 people.

More than 240 toys were distributed to 105 families with children, along with a game or puzzle to each family, countless stocking stuffers, books and hats/gloves to each child. The generosity of our community ensured we had toys remaining, and they were donated to the Magic After School Place run by Carlson Community Services and the Jesse Sherwood Elementary School in Englewood.

Special thanks to long-term supporter FDC Foundation, which provided a grant of \$33,000 in 2019 to run programs and help with moving expenses. We also received significant donations during the holiday season from Faith United (\$14,000) and the Viatorians through St. Viator Catholic Church (\$3,000).

We especially wish to thank the organization that hosted toy drop-off boxes, comprising Irving Park Lutheran Church, Irving Park YMCA, Oak Street Health, Old Irving Brewery Co., Portage Grounds, St. John's Episcopal Church, and Ward 45 Ald. Gardiner's office.

Food drives helped at year's end, including those run by International Christian Assembly of God, Pet Supplies Plus, Petco, Portage Park Elementary School, Jonathan Y. Scammon Public School and Wintrust Bank. Special thanks also to the Indy Park Bluegrass Jam Band, which donated the \$700 in tips it made at the GIPNA Farmers Market this summer to the Pantry's Holiday program.

We also want to thank Dorie Westmeyer, who sponsors a lunch with friends from grade school (St. Joan of Arc), high school (Regina Dominican), college (Marquette University), work and her neighborhood. Together they sponsored a five-member Pantry family, buying clothing and toys. The group has gathered for 35 years and has sponsored a Pantry family for about 17 years.

We appreciate all of the volunteers who helped with the Monday setup and Wednesday distribution, plus all who donated to the program. Together, you helped brighten the holiday season for hundreds of our neighbors and ensured we continue to be "Neighbors Helping Neighbors!"

From top: Volunteers, including Toy Room co-coordinator Sara Yoest (back row, right) prepare to greet clients and help them select toys for their children (up to 12 years old) during the Pantry's holiday program. SPOTTED: Office Manager Gayle Christensen of the Irving Park Community Food Pantry was surprised by an early visit from Saint Nick during the Pantry's December Holiday program. SPOTTED: State Rep. Jamie Andrade stopped by the Irving Park Community Food Pantry's December Holiday program and was immediately put to work (breaking down boxes) by Volunteer Manager Betsy Minor. SPOTTED: Heather Lauritzen from the Irving Park Baptist Church came to the Irving Park Community Food Pantry's December holiday program to hand out home-baked cookies to clients' children.
