## Hands To Help Ministries Seeks Board Members

Hands To Help Ministries is a small non-profit serving the homeless and working to prevent homelessness in the Six-Corners/Irving Park areas of Chicago. We've been in existence for over 15 years, providing assistance not only to people living on the street but to people at risk of losing their housing, allowing them to stay in their homes through rental assistance, utility payments, etc.

HTH has two paid part-time employees with oversight from a volunteer Board of Directors. We are looking to add new members to our board. We welcome people of various backgrounds, skill sets and experience levels.

If you or someone you know is interested in getting involved with a great community organization at the board level, please email the service manager at [b.wahler@handstohelpministries.org](mailto:b.wahler@handstohelpministries.org), to learn more about HTH's work, what Board membership involves, and answer any questions you may have.

Thank you for supporting Hands To Help!

# Dear Neighbor,

WE GET AN EXTRA DAY THIS MONTH, so why not spend it with your Neighbors at the 14th annual West Walker Civic Association Winter Social. This year, we're heading back to the Cabin at Irving Park, because we had such a good time last year. See the full-page flyer on the back of this edition of the Wire for details, and plan on seeing us February 29th.

2020 IS A BIG YEAR FOR ELECTIONS. Make sure to write down March 17, 2020 as election day, right next to the shamrock on your calendar. Many local, state, and federal elections and primary elections are held on March 17th. Then, watch the march toward the November 3, 2020 election. Whatever your politics, it's going to be a riveting election season. Make sure your registration is up to date and memorize directions to your polling place. Voting is your right.

2020 IS ALSO A CENSUS YEAR. For this cycle, census surveys are moving predominantly online. The City of Chicago will be providing resources to ensure that everyone will be counted. A strong census turnout is enormously important. Census population figures drive federal funding and apportionment of US House of Representatives. In 2000, only 66% of eligible Chicagoans participated in the census. With recent population declines, a much stronger turnout is required if we are to even maintain current federal funding levels and our representation in Washington, both as a city and in the state of Illinois. April 1, 2020 is officially Census Day, and you should have received a card with information on completing the census by that time. However, the process will last until July. We will be updating information and resources here in the Wire over the next few months.

CITY CREWS ON IRVING PARK ROAD continue the water main replacement project. For those who thought we were almost out of the woods, more construction lies ahead. As soon as the water replacement project is completed, sewer replacement related projects will engulf the Pulaski and Irving Park intersection. This should begin in mid-February and last into March or perhaps April. This may require complete temporary shutdowns of traffic in various directions during the project. Please use caution as a driver and a pedestrian when navigating the roads.

FINALLY, WE ARE LOOKING FOR NEW WIRE CARRIERS to take the place of Neighbors who have decided to hand over the reins after many years of volunteering to deliver Wires. A Wire delivery route usually take an hour or so to deliver and the Wire is distributed 10 times a year. You're reading this because a Neighbor volunteered to take the time to help out our neighborhood. If you can help, please contact me at 773.539.8346 or webber.wwca@gmail.com.

Admission is \$10 per adult and \$5 per child 12 and under. Feast and fellowship before Lent's time of prayer and reflection.

**Ash Wednesday & Wednesdays in Lent at Irving Park Lutheran Church** Lent begins on Ash Wednesday, which this year falls on February 26. Join us for worship at 7:30 pm. The service includes imposition of ashes and holy communion. Then, join us on five subsequent Wednesdays (March 4-April 1) for an easy weeknight dinner (6:30-7:30 pm in the Fellowship Hall) and a 30 minute family-friendly worship service (7:30-8:00 pm) that is filled with prayer, scripture, contemplative songs and a children's sermon.

**Visit from Bishop Yehiel Curry March 15** The new bishop of the Metropolitan Chicago Synod, the Rev. Yehiel Curry will be at Irving Park Lutheran Church on Sunday March 15. We look forward to welcoming and celebrating him and having him preach and also lead an adult forum.

**Sunday Adult Study: The Cross and the Lynching Tree** Later in February, the Adult study will take up The Cross & The Lynching Tree by Black Theologian James H. Cone. Cone, who for years taught at Union Theological Seminary and died last year, shows how the cross and the lynching tree are the two most emotionally charged symbols in the history of the African American community and explores these symbols and their interconnection in the history and souls of black folk.

### House Cleaning Tips for Winter

As we stay inside more, here are some tips to make wintry days cleaner and healthier.

- 1. Wash and disinfect garbage cans and wastebaskets** – For more environmentally friendly disinfectant, mix 50/50 undiluted hydrogen peroxide with water. Let sit for an hour, rinse and dry in the sun to eliminate bacteria.
- 2. Turn over furniture and vacuum the bottoms** – Tip upholstered chairs and couches back to expose the underside. Vacuum up those dust bunnies that can get tacked underneath.
- 3. Change your furnace filter** – It's recommended to change them every 60 days. Mid-price filters cost around \$12 - \$17. Pleated filters with 1250 MPR (microparticle performance rating) work well in homes.
- 4. Clean the tops of doors, trim, artwork** – Swiffer makes a great duster for those hard to reach places including ceiling fans. Or try an old pillow case on fan blades to collect the dust.
- 5. Stop dirt in its tracks** – Get a tough bristle outdoor mat and inside get a boot tray.
- 6. Kill bacteria** – Microwave the kitchen dish sponge; wipe down countertops periodically with Clorox disinfectant wipes.

# CAPS Report

## Beats 1722 & 1723

### January 15, 2020

**In attendance:** CAPS Officer Jerry Zander, Tac Lt. Michelene Alexa, Officer Eli, Beat Officers, CPD Community Organizer John Campos; Alderman Rodriguez (33rd Ward); Jessica Vazquez, Alderman Ramirez-Rosa's chief of staff (35th Ward); a volunteer from Alderman Gardiner's office (45th Ward) and approximately 30 residents.

Jessica Vazquez from Alderman Ramirez-Rosa's office reported that funds have been obtained to place a camera in an alley at Cullom and St. Louis where drug dealing and reports of shots fired are frequent. The camera should be in place by the end of February.

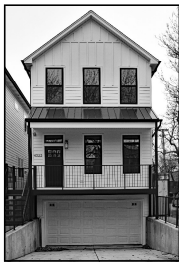

Officer Zander thanked the community for their concern over the shooting of a 17th District officer in the bank robbery chase that occurred in December. Tac. Lt. Alexa reported that overall, crime in the 17th District is down. She cited the following statistics: year-over-year, there is a 37% decrease in murder; 31% decrease in shootings; 44% fewer robberies and burglaries; 28% fewer motor vehicle thefts.

Lt. Alexa talked about several recent arrests of suspected criminals who are believed to have been involved in "mini crime waves." There is a resurgence in gang activity among Maniac Latin Disciples. Lt. Alexa requested that people report graffiti that features pyramids, crowns, pitchforks, anything broken or upside down, or the initial "K" at the end of letters. These can be emailed directly to her at michelene.alex@chicagopolice.org. Please include location and continue to report to 311 for removal. Officer Zander stated that the Strategic Decision Support Center (SDSC) room, where camera feeds and data storage are being used to pinpoint the location of crimes in real time, has been an important tool in crime reduction. Several attendees had a chance to see how the room operates after the meeting. Ring doorbell video submitted by residents is also reviewed in this room.

Officer Zander reminded everyone that you should never let a stranger in to your home. A recent sexual assault in the 17th District occurred when someone posing as an employee of a package delivery service gained entry to an apartment. He also reminded that when calling 911 it's important to give a head-to-toe description of the suspect.

## News From Irving Park Community Food Pantry

By Craig Shutt

### Pantry Offers Voter Registration in February

The Irving Park Community Food Pantry is offering voter registration in conjunction with ILVOTE, a certified civic organization. Registration is available to any qualified Illinois resident, including clients, volunteers and neighbors.

Qualifications comprise being a U.S. Citizen at least 17 years old on or before March 17 (day of the primary election) and 18 years old by November 3 (general election), live in your precinct for 30 days prior to the election and not be in jail.

The registrars will be part of several groups, including Indivisible Oak Park and League of Women Voters. They will offer registration and provide mail-in ballots, sending reminders to return the ballots. The program continues every Wednesday in February as well as the night of February 11.

The Pantry will give out Easter baskets to clients' children from March 10th to April 8th (prior to Easter on April 12th). We are looking for donations of dollar-store Easter baskets, plastic eggs (empty or filled), wrapped candies, candy bars and small toys.

Donations can be brought to the Pantry from 8 to noon on Wednesday mornings, from 6 to 7:30 on February 11 and March 10 or any time at the bin on the enclosed front porch at 3833 N. Tripp Ave.

If you have questions or are interested in helping distribute baskets, email [craigshutt@gmail.com](mailto:craigshutt@gmail.com).

A number of people and places helped the Pantry with donations recently. They include:

- Robert Huston of the Indy Park Bluegrass Jam Band, who stopped by the Pantry in December to drop off a donation of \$700! It represented the tips the group garnered playing GIPNA's Farmers Market this summer at Independence Park. The group also plays the first Sunday of every month at City News Cafe at Six Corners
- The Dinham and Clausen families in the 3700-3900 blocks of Lawndale Ave. The kids sold handmade ornaments to benefit the Pantry and sent us \$54 from their sale.
- T&D Electrical (3344 W. Irving Park), ran a drive for us in December that included food, toiletries and men's socks.

We appreciate their help and all of the support from everyone who helps us meet our mission of being "Neighbors Helping Neighbors!"
