Dear Neighbor

Chicago Police Department statistics indicate that reports of shots fired and homicides are down about 50% in the first quarter of 2021 compared to 2020. Despite this, many people perceive an increase in criminal activity, especially gang related criminal activity. Please make sure to keep yourself safe and watch out for your Neighbors.

We know our block, our street, and our neighborhood best. Calling 911 is a valuable tool, and we should not be hesitant to place a call when appropriate. If you hear shots being fired, call 911. If you see someone with a gun, call 911. If you see someone being assaulted, call 911. If you observe someone walking down the block and trying to enter multiple vehicles at random, call 911. If you observe graffiti, call 911. If you observe any type of criminal activity, call 911. If you choose to, you can remain anonymous.

Try to attend CAPS Beat Meetings. Between meetings, there are multiple ways to address concerns to our 17th District CAPS office:

Facebook: www.facebook.com/CAPS.017
Twitter: @ChicagoCAPS17
Email: CAPS.017district@chicagopolice.org

Your Neighborhood Realtor!

Thinking About Selling But Worried About Where You Will Go?

Homes are selling fast! And for many of my clients, they are receiving multiple offers and selling above asking price. Great! But if you haven't found your new home yet, what do you do?

In a sellers' market, you do have options to give yourself more time to find your next home. You could:

- request a close date 60 – 90 days out
- ask to rent back from the new owner for a while
- store your stuff in the moving truck or storage space
- stay in an airbnb
- rent before you buy
- stay with friends or family

These are just a few ideas. If you're thinking about selling, now could be the perfect time to get your highest sale price. And if you're also buying, you can take advantage of incredibly low mortgage interest rates. The perfect situation – high sale price and low mortgage rate.

Call me if you'd like to know what your home might sell for and a solution that works for you.

Whether you need a list of great local contractors or recommendations on what to fix or replace, let's connect. And if you are thinking of selling in the next 24 months, and want to get the highest sale price, please call me for a free home consultation.

Irving Park Community Food Pantry

By Craig Shutt

Major Grants Aid Pantry

The Irving Park Community Food Pantry received a \$7,500 grant through the Charities Aid Foundation America (CAF America) to support our COVID-19 purchases of equipment, fixtures and other needs to achieve our protocols. The grant was suggested by the Cargill Fund in Minneapolis, and we appreciate their continued support in many ways.

The Pantry also has received a \$3,000 grant from Whole Foods to help us continue to buy foods that are more difficult to purchase from our regular sources. We are grateful for their support in both money and regular donations of food.

Many Pantry volunteers were vaccinated in March thanks to Mariana Wrzosek and the staff at Amita Resurrection Medical Center, who arranged appointments in a partnership with New Hope Food Pantry in Norwood Park. The program was instigated and coordinated for us by Volunteer Manager Betsy Minor, who also works at New Hope. We appreciate their efforts to ensure our frontline workers have a higher level of safety for themselves and our clients.

Thank you to Alderman Carlos Ramirez-Rosa and his staff for obtaining a loading zone for the Pantry outside our main Cullom Street door. The 50-foot zone prohibits parking on Monday and Wednesday mornings between 7:00 a.m. and noon, making it easier for us to receive our key deliveries and help clients load their cars if needed.

The Pantry distributed Easter baskets to 196 clients' children up to 10 years old. Special thanks to Pastor Erin Bouman and the Irving Park Lutheran Church congregation for assembling and donating 160 Easter baskets and to the staff of Wintrust Bank-Mayfair for their donation of 50 assembled Easter baskets.

Thanks also to volunteer Lorrie Ide and her daughters for organizing an Easter basket drive in their Villa neighborhood, and Megan Stalder and her family, who assembled 20 Easter baskets. We also appreciate the work of volunteers Vicci Rodgers, Ann Marvin, Barb Youngberg and Gloria Flores, who came in to assemble our initial group of baskets.

We appreciate the contributions in money, materials and assembled baskets from everyone who participated.

Extra baskets were donated to New Hope Food Pantry, Emmanuel United Methodist Church, Salvation Army, Lydia Home and Cornerstone Community Outreach. Your support allows us to achieve our mission of being "Neighbors Helping Neighbors!"

Pantry volunteer Anna Zoklowski Sobor shows off some of the Easter baskets that were given out to clients with children up to 10 years old. The Pantry gave out 196 and delivered additional baskets to a variety of children's groups in the area.

April is Child Abuse Prevention Month and the 17th District is holding a baby wipes collection for Maryville Crisis Nursery. Maryville offers care to children birth to 6 years old for up to 72 hours for parents who are in crisis.

A resident asked about a troubled building owned by Gary Carlson. Officer Zander reported that the 33rd Ward, 17th District and the City attorneys are working together and that Carlson has to meet certain requirements such as adding security cameras and changing locks. A Buildings Dept. inspection has been scheduled.

Tactical officers are still offering burglary assessments for business and residences. Call the CAPS office at 312.742.4588 or email CAPS.017district@chicagopolice.org and someone will make an appointment for you.

Call 911 to report suspicious activity or individuals in your neighborhood and provide detailed descriptions of the individuals and vehicles involved in any incident. Even if a neighbor has already reported the incident or activity, other neighbors should make separate calls. The police rely on the number of calls for service in determining the allocation of officers to a district. The next meeting will be on Wednesday, May 19th at 6:30 p.m. via Zoom. Email CAPS.017district@chicagopolice.org for an invitation. Remember to always lock your vehicle, never leave it running unattended and be on the lookout for scams involving Covid-19 cures and scams related to income tax refunds. Remember, the IRS will never call you on the phone.

17th District CAPS Prevent a Burglary Before it Happens

Police Officers are on a continuous lookout for crimes and suspicious activity that may occur in your area. The problem of burglary is a growing concern in the 17th District and we need YOUR HELP in combating this crime of opportunity. Basic security precautions can significantly reduce your residence or business from being burglarized. By being security-conscious and using simple steps to secure your property, the number of burglaries can be reduced.

The 17th District Tactical Officers will be conducting Burglary Assessments to identify areas on your property where you may be vulnerable to a burglary. This is an exterior physical assessment and officers will not enter the residence or business. By neighbors and police assessing weak and strong points on your property, it will create a much greater sense of security, prevention and awareness.

Please contact the 17th District CAPS Office at 312-742-4588 or caps.017district@chicagopolice.org or call the 17th District Tact Office at 312-742-4822 if you are interested in having your property assessed (limited availability).

ARE YOU OR
SOMEONE YOU KNOW
THINKING OF SELLING?

I HAVE
BUYERS!

I have buyers who would like to live in our neighborhood and I have been unable to find them a home because of the very limited inventory.

Have you been contemplating a move?

If so, could you or your REALTOR® reach out to me to discuss what my clients would like to buy?

Email, text or phone call!
