Voting for Participatory Budgeting in the 39th Ward will begin on Monday, Jan. 31 and run through Friday, Feb. 11. Alderman Samantha Nugent is excited to share the list of projects that will appear on this year's ballot.

Your Neighborhood Realtor!

How's the Market?

Hi Neighbors,
The real estate market in our West Walker neighborhood is going strong. Even though its cold out, there are serious winter buyers who are out looking and ready to buy. It continues to be a sellers' market due to a shortage of homes for sale. Sellers are getting 96% to 98% of their asking price depending on whether you are selling a multi-family (96%), a condo (98%), or a single-family home (98%). Here are a few other West Walker statistics:

Single Family Homes – median sale price is \$500,000 and time to contract is 14 days.

Condos/Townhomes – median sale price for a 2 bedroom is \$220,000 and time to contract is 27 days.

2 to 4 flats – median sale price is \$455,000 and time to contract is 27 days.

Keep in mind, these are averages. Each home is unique with its own special features. Your sale price will also depend on the size of your home and your lot, what improvements you have made, age of your roof, furnace, water heater. Properly preparing your home for sale and having a good marketing & pricing strategy is key. If you're interested in knowing your home's value and how to prepare for selling, please give me a call.

Space available at MAP!

The Magic After-School Place (MAP) is in its 15th year of providing high quality, affordable after-school care for children attending Murphy and Belding Schools. We welcomed students back to MAP this past fall for in-person programming and have a few additional spaces available.

Our income-based tuition structure makes MAP a valuable partner for working families who need a safe place for their children after school. Equally important, children receive homework help and tutoring, play group games and enjoy social time with friends. Program space is generously donated by Irving Park Lutheran Church, helping us do this important work in our community. MAP meets from 3:00 to 6:00 p.m. every day CPS is in session at the IPLC gym located at Harding and Belle Plaine. Filament Theatre Names Reji Simon Associate Artistic Director

Filament Theatre, Chicago's innovative theatre for young audiences since 2007, is proud to announce the addition of longtime collaborator Reji Simon (he/him) as associate artistic director. Simon will join Filament's three staff members:

Founder and Artistic Director Julie Ritchey, Managing Director Krissi McEachern, and Education Director and Resident Artist Molly Bunder. A Resident Artist at Filament since 2017, Simon has performed in the theatre's beloved productions of "The Van Gogh Cafe" and "The Snow Queen." But his impact goes far beyond the stage.

"At Filament, Reji has been an actor, a casting director, served on board committees, and everything in between," Ritchey said. "He is a deeply generous leader and collaborator who enriches every space he's in."

Simon will play a vital role in advancing Filament's long-term goal to decentralize artistic leadership through centering the perspectives of young people. "Reji's commitment to elevating youth voices and stories makes him a crucial partner to Filament's vision of becoming a truly youth-led theatre." Ritchey

continued. "It's impossible to imagine a future at Filament without him at the helm." Despite the pandemic, Filament has continued its commitment to supporting artists. The theatre provided income to more than 40 independent artists in 2021 through its virtual and outdoor workshops and performances. And as the theatre looks toward reopening to the public in March, Simon's role will focus

on making Filament a vibrant, equitable and collaborative artistic home for professional artists and young people to work together.

In addition to his work with Filament, Simon has also worked with the Illinois Caucus for Adolescent Health and Cleveland Playhouse. Simon, a graduate of the Theatre School at DePaul University, is committed to developing artists through community building and deconstructing the barriers meant to keep people from making art.

Filament Theatre, on Chicago's Northwest Side, has been creating innovative theater for young audiences since 2007. Filament's mission is to create a more equitable society by celebrating and amplifying the perspectives and experiences of young people through the performing arts. Filament is located at 4041 N. Milwaukee. Contact us at 773-270-1660 or visit us at filamenttheatre.org.

- On 1/7/22 at 9:33 p.m. there was a carjacking at 4200 N. Pulaski. The victim was parking when three masked offenders got out of a white Nissan Rogue and demanded the car. An hour later, the stolen car was spotted in the 3100 block of W. Foster and 3 people were taken into custody. They were charged with misdemeanors.

- On 1/13 there was a report of shots fired at 5:00 p.m. in the 3400 block of W. Cullom. The victim was in a car trying to park. Shell casings were recovered.

Officer Zanders reported several arrests, unrelated to the crimes above, where firearms were recovered.

Officer Zanders reported that other than motor vehicle thefts, crime is down in the 17th district. Capt. Kaup urged residents not to leave their keys in the car or cars running. That is the major source of motor vehicle theft. He stressed that it's illegal to leave keys in the car and to leave a car running, unattended.

In response to a resident question (in the Zoom chat) regarding how crime is being addressed, Capt. Kaup stated that overall crime is down for shootings, homicides and robberies for 2021 while crime across the city has increased the last couple of years. Staffing shortages across the country have affected police departments. Due to most of the violence being in vehicles, 17 is focusing on vehicle stops and they are deploying internal and external resources to specific locations with gang conflicts and highest levels of crime. He also stated that gang conflicts ebb and flow in the district. 17 is a district with one of the lowest crimes and calls for service. Residents can help by reporting crimes and providing information.

Vicko Alvarez from Ald. Rodriguez's office (33rd) reported that the ward office hours are currently by appointment only. They have exhausted their supply of KN95 masks.

Chicago Police Department is offering cash rewards for tips leading to charges and convictions. \$5,000 for tips leading to gun trafficking charges and convictions and up to \$15,000 for tips leading to homicide charges and convictions. Callers are 100% anonymous. The number to call to leave a tip is 833-408-0069.

Anyone interested in becoming a police officer is invited to a Bowl with a Cop event on Feb. 22 from 5:00 to 7:30 p.m. at Diversey River Bowl.

Continued from page 9.

Even if a neighbor has already reported the incident or activity, other neighbors should make separate calls. The police rely on the number of calls for service in determining the allocation of officers to a district. The next meeting will be on Wednesday, February 16 at 6:30 p.m. on Zoom. Email CAPS.017district@chicagopolice.org for a Zoom invitation. Remember to always lock your vehicle, never leave it running unattended and be on the lookout for scams involving Covid-19 cures and scams related to income tax refunds. Remember, the IRS will never call you on the phone.

Here's how to reach or follow the 17th District CAPS office.
