### No March Meeting

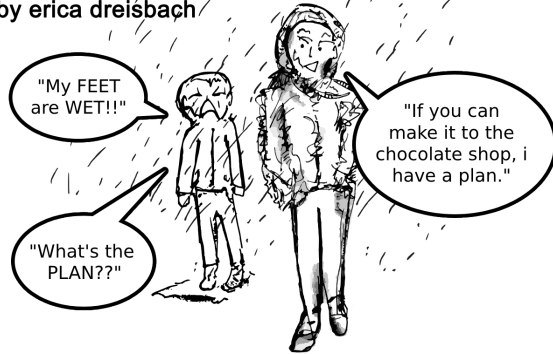

Beats 1722 & 1723 will each have its own meeting, every other month. **The next CAPS Beat 1723 (covers all of West Walker) meeting will be Wednesday, April 17 at 6:30 pm** in the 17th District Community Room, 4650 N. Pulaski. Meetings are held the third Wednesday every other month.

Call 911 to report suspicious activity or individuals in your neighborhood and provide detailed descriptions of the individuals and vehicles involved in any incident. Even if a neighbor has already reported the incident or activity, other neighbors should make separate calls. The police rely on the number of calls for service in determining the allocation of officers to a district. Remember to always lock your vehicle, never leave it running unattended and be on the lookout for scams related to income tax refunds. Remember, the IRS will never call you on the phone.

### Why It's a Good Time to Sell and Buy

Some sellers may be holding off selling because they're concerned about swapping their low mortgage rate for a higher one. Or they're concerned about finding a new home given today's low inventory of homes for sale. Here are some things to consider.

*"Where we are right now is the best of both worlds. Price increases are slowing, which is good for buyers, and prices are still relatively high, which is good for sellers."* — Skylar Olsen, Zillow Chief Economist

- 1. There are more homes for sale this year versus last year.** Nationally there are 20% more homes for sale this year than last year. Chicago has 28% more homes for sale in Feb 2024 versus Jan 2024. When you are looking to find your new home, you may have more choices.
- 2. Mortgage rates are expected to continue to decline.** The Fed is expected to cut rates 3 times in 2024. If you're selling and buying, you may have a more competitive new mortgage rate.
- 3. We're still in a sellers' market. But it's shifting to a more balanced market.** You've probably had a big increase in your home equity these last few years given the 30% + increase in our home values. Our neighborhood prices are continuing to hold but the rate of increase is slowing. As more of our homes come on the market, you will have more competition.

Lower mortgage rates & low number of homes for sale in West Walker, could make this a good time to sell and move closer to family, friends, your dream retirement location...

*"Finding Dorie during the real estate slow-down was a stroke of luck! We were wondering if we should continue to make improvements or sell our home 'as is.' She walked through with us, pointing out things worth doing & those that would have no value to our buyers. Her creative marketing plan was tailored specifically to our neighborhood, type of home & desired selling price. Following her lead got us a busy November open house & 6 competing offers in 5 days. Dorie stayed in touch throughout the entire process & was very patient with our inexperience. Her knowledge, ethics & professionalism were impressive & relieved many of our concerns. We would highly recommend Dorie without any reservations! Thank you, Dorie, for your warmth & advice. We will miss working with you in our southern Illinois move." – Al & Becky*

## Irving Park Lutheran Church News and Events

### Children's Communion Lessons Coming in May

In late spring, we offer special Saturday lessons on Holy Communion for early elementary children and a special family brunch after the last class to celebrate the children and what we've learned. The classes are for children who are not yet taking Communion *and* for children who may have been taking Communion, perhaps since a very young age, but are ready for some additional instruction to better understand the sacrament. The classes are geared for children who are in 3rd-5th grade.

We are planning to hold this year's classes on **Saturday, May 11 from 9-10 am** and **Saturday, May 18 from 9-10 am**, followed by a brunch for the entire family from 10-11:30 am. Then, on **Sunday, May 19**, which is also the last day of Sunday School, we'll have a special emphasis on Holy Communion in the service and celebrate the children who have taken part in the class. Let Pastor Bouman know if your child can be part of this!

### Service Project at Cradles to Crayons

Anyone 12 years or older is invited to volunteer with the Confirmation students at Cradles to Crayons on **Saturday, April 27 from 10 am-noon**. Cradles to Crayons provides local children with the basic essentials they need to thrive at home, at school and at play. Volunteers will work in stations to inspect, sort and package donations alongside other individuals and groups. The shift begins with orientation, led by a Cradles to Crayons staff member, and ends with wrap-up and an opportunity to learn the number of children impacted during the shift and to take group pictures.

To participate, you must register ahead of time by emailing Pastor Bouman at [erinbouman@sbcglobal.net](mailto:erinbouman@sbcglobal.net), who will sign you up, due to recent changes in Cradles to Crayons' volunteer registration procedures.

The Cradles to Crayons Giving Factory is located at 2500 W. Bradley Place, which has wheelchair accessibility and can provide reasonable accommodations for volunteers who may need them.

# Irving Park Community Food Pantry News

by Craig Shutt, Publicity & Special Events Coordinator

## Pantry Celebrates 40th Anniversary

This month marks the 40th anniversary of the Irving Park Community Food Pantry, and we appreciate all of the support we have received through the years. Special celebrations for volunteers, supporters and the entire community will be announced later and as the weather warms up.

The Pantry was opened in 1984 through the efforts of Laila Duncan, a member of the Irving Park United Methodist Church at 3801 N. Keeler, working out of a closet in the church's basement utility room. It expanded into the entire space, adding refrigerators and freezers, offices and a large delivery area.

John Psiharis, our executive director, joined in 2008 and helped the Pantry expand its service area, operating hours and food suppliers. We moved to the Emanuel United Methodist Church at 4256 N. Ridgeway Ave. in September 2019 after IPUMC was sold.

We remained open throughout the worst of the COVID pandemic in 2020, providing food to as many as 200 families a week, as other nearby pantries were unable to remain open. The Greater Chicago Food Depository named the Pantry a Pandemic Hero in September 2021 for our volunteers' relentless work to overcome every challenge thrown at us.

Our numbers returned to normal levels by 2022 only to rise again late last year as migrants and other people in need moved into our service area of the 60618 and 60641 ZIP codes. These days, we're providing food to about 130 families per week compared to about 80 per week in 2022.

We are proud of our service to everyone in need of food to help their families, as well as our programs to provide pet food, spring baskets, school supplies, coats, holiday food and children's gifts during the year. And we appreciate everyone who has supported our efforts for any of the past 40 years!

Thank you to everyone who supports our mission to be "Neighbors Helping Neighbors!"

She was a wonderful balance between professional and honest. Not only did she help us find the right house to start our family in but made moving on as painless as possible when we sold.
